ALL SPORTS BOOSTER CLUB

The Lee-Scott All Sports Booster Club exists to serve our students. The following is a brief synopsis of our year. In 2010-2011 your Booster Club assisted in funding: trophies for our students in their respective sports, field maintenance of all our sports fields (including assistance in equipment maintenance, resurfacing the gym floor and the accompanying Logos), assistance in travel for our sports teams, funding assistance to the overall athletic budget in an effort to reduce cost to each individual participating in a LSA sport, and an irrigation system for all the athletic fields supplied by well water to reduce cost. The Booster Club, along with the Board broke ground on expanding the football practice field from 35 yards to a regulation 100 yards which will accommodate soccer practice and reduce pressure on the existing game field. The field will continue serving multiple P.E. classes on a daily basis. Your Booster Club continues to work for you and desires your partnership. Please join the LSA All Sports Booster Club and receive a Lee-Scott tag with your tax-deductible \$50 contribution. You are welcome to join in the main office. Thanks, Robert Adkins and Milton Pointer

Please remember to visit the Lee-Scott website at www.lee-scott.org for upcoming events.
