"GET CONNECTED" RALLY

The LSA "Get Connected" rally will be held on Monday, January 30, at 6:30 pm in the gymnasium. We strongly encourage all LSA families to attend. Food will be provided. There will be entertainment provided by LSA's band, elementary choir and secondary choir and show choir. Door prizes will be given throughout the night.

Incentives for elementary students who have 100% parent participation include a pizza or ice cream sundae party.

Incentives for secondary students will include senior lunch privileges for every student who has a parent to attend.

In order for students to receive these incentives, at least one parent must attend the event.

This will be a time for Lee-Scott families to come together and move forward with the same goal – to provide our students with the best possible tools to achieve success in the future. As always, we want to set ourselves apart as leaders. Champion Events Director, Don Carmichael, will be presenting information on how we can work together to raise funds to help with the initial costs of our technology goals. We hope that you are able to attend this event!

LSA AMBASSADORS

We are inviting any current 9th-11th graders interested in becoming a Lee-Scott Ambassador to a meeting providing important information pertaining to try-outs on Wednesday, February 8 at 3:15 in Mrs. Dean's room. Any student interested who cannot attend the meeting needs to see Mrs. Dean prior to the meeting.

LSA VS GLENWOOD TOMORROW!

The games tomorrow, January 27, will start with JV Girls at 3pm our time (an hour earlier than usual). The other three games will follow immediately.

There will be a bus for the JV teams however it will not be available to bring the players home. Parents will need to be responsible for making sure their player has a ride home.

We all want to conduct ourselves with the class that Lee-Scott is known for around the AISA. There is no disputing that not all schools carry themselves with the same excellence that we do. We always want to show ourselves as an example in our behavior, attitude and speech.

We know that the rivalry can stir up deep emotions. That being said, please make sure that you know where your players are, how they are getting home and that they are making wise decisions as they are attending tonight and traveling home.

We are going to try and have the "student section" in the bleachers behind our bench. Glenwood will be roping off the bleachers directly across for us too. If they do rope off directly across, parents can sit there.

GO WARRIORS!
