THE MISSION

Lee-Scott Academy is a college preparatory school offering a quality education in an environment where students are protected, nurtured, and challenged with Christian principles that promote the development of the total person. The pursuit of excellence in academics is the hallmark of the Academy, complemented by opportunities to participate in programs that encourage student success.

KEYS TO THE MISSION STATEMENT

COLLEGE PREPARATORY — Lee-Scott Academy offers classes specifically designed to prepare its graduates for entrance to and success at the college level. The curriculum is designed to challenge students to obtain the knowledge and skills necessary to excel in college and in life.

QUALITY EDUCATION — The academic goal of the Academy is to equip students for achievement through the acquisition of knowledge and the development of their abilities. To this end, Lee-Scott Academy provides a faculty distinguished by the competence, qualification, dedication, and personal character of its members. The Academy strives to provide the faculty and staff with the facilities, equipment, curriculum material, and support necessary to accomplish this goal.

ENVIRONMENT — Lee-Scott Academy offers an environment that is safe, enjoyable, caring and stimulating. This unique environment is designed to nurture the growth of balanced, responsible, and dedicated young people. A vital part of this environment is the active participation of parents and families.

CHRISTIAN PRINCIPLES — Central to the success of Lee-Scott Academy and its Mission are the Christian principles and biblical world view upon which the Academy was founded. On this foundation, the Board of Directors, administration, and faculty strive to implement a total educational process that reflects the Mission and glorifies God.

TOTAL PERSON — The Academy emphasizes the development of each student in all areas of life: mental, physical, spiritual, and social. “And Jesus grew in wisdom and stature, and in favor with God and Man.” Luke 2:52

PURSUIT OF EXCELLENCE — Lee-Scott Academy is committed to the pursuit of excellence in academics. Excellence in all of life is encouraged by helping each student develop purpose, a Godly character, responsibility, leadership, respect for authority, and appreciation for our nation's heritage and free enterprise system.

STUDENT SUCCESS — Lee-Scott Academy recognizes that each student has great worth and significance. The Academy thus offers a variety of athletic and extracurricular programs that afford students the opportunity for meaningful growth and fulfillment of their talents and gifts.

PHILOSOPHY OF LEE-SCOTT ACADEMY

Lee-Scott Academy is a college preparatory school committed to excellence in our total educational program. The founders of the Academy firmly believed that a quality education that leads to productive, purposeful, and fulfilled lives must be based upon the truths of God, as revealed in Jesus Christ and proclaimed in the Bible. They further held that hard work, pursuit of knowledge, integrity, sacrifice, citizenship, and prayer are qualities that define America's heritage and are essential to the well-rounded development of students. We share these convictions, and they remain fundamental to our school's philosophy of education.

Believing that preparation is important in every endeavor, we equip our students for success in college and in life by emphasizing English, mathematics, history, geography, science, foreign languages, computer application, fine arts, and work and study skills. In addition to a challenging and balanced academic curriculum, we value the benefits of athletic programs and other extracurricular activities that promote the students' sense of character, responsibility, fair play, teamwork, and commitment.

We know that children study, learn, interact, and participate best when in a safe environment. We not only emphasize our children's physical safety, but we also desire that they be emotionally secure. We believe that our staff, teachers, and coaches should be positive role models for our children and should be sensitive to the needs of each student. Because we believe that schools and parents must work together, we encourage parental involvement. In return, we expect our

students to learn respect for authority, to become accountable for their actions, and to exhibit self-discipline.

We desire unity of spirit and purpose at Lee-Scott Academy and believe that encouragement of others is a key to achieving that unity. We want all of our students to be encouraged and treated with respect by their fellow students. We believe that God created each of us in a unique and special way and intends that we appreciate the individuality of others. Consequently, our school is open to all qualified students without regard to race, color, or national and ethnic origin.

We believe the Mission Statement and this Statement of Philosophy are vital to the life and direction of Lee-Scott Academy, but words alone do not ensure success. We expect to be measured by our actions and by the lives of our graduates in their service to God, their families, and their communities.

ADMISSIONS POLICY

Lee-Scott Academy is a co-educational college preparatory school. The factors of academic performance on standardized achievement tests and an honorable record at previous schools are considered in determining which applicants should fill vacancies in the student body. A student must be six years old by September 1 in order to enter first grade and screening instruments will be used for potential candidates.

NEEDED ON FILE

1. Alabama Certificate of Immunization (blue card)
2. Copy of Social Security Card
3. Copy of Birth Certificate

CURRICULUM

The curriculum exceeds requirements of AdvancEd (formerly the Southern Association of Colleges and Schools) and the Alabama Independent School Association. The program is designed to prepare the student to be successful in college. In addition to basic courses in reading, language arts, mathematics, science, social studies, and Bible, the Lower School program is enriched with instruction in music, art, Spanish, STEM computer, physical education, and media center/library.

STANDARDIZED TESTING

Lee-Scott students' scores on standardized tests exceed the Alabama Independent School Association and Alabama Department of Education requirements. In the Lower School school, the ACT Aspire Periodical and Summative tests are given in grades 3-6. The Periodical tests are administered throughout the year, with the summative test given in the Spring. Additional standardized tests, such as ability, achievement, and interest tests are used when needed.

GUIDANCE

A primary aim of Lee-Scott Academy is that each student profit as much as possible from the programs here. The counselor, school nurse, Lower School principal, and headmaster are available to work with students, parents, and teachers toward the academic and social growth of each student.

PARENT/TEACHER COMMUNICATION

If parents have a concern regarding their child's educational experience, the first step is to contact the child's teacher. This strengthens the channels of communication, and in the majority of cases, the situation can be resolved. Parents are asked to arrange a time convenient for both parent and teacher. The beginning of the school day is a very busy time for teachers and students; therefore, parents are asked to choose a time other than early morning to discuss matters of concern with the teacher.

If after dialogue with the teacher, the parents believe further discussion is warranted, they may contact the Lower School school principal. This allows for conferences with the principal and the teacher to find a resolution. If through these channels the matter is not resolved, parents may contact the headmaster. —Email, texts, school web page, social media, conference phone calls.

DAILY SCHEDULE

7:30 - 8:00	Homeroom (Students tardy after 8:00) Devotional/Morning Prayer & Pledge
10:50 - 11:20	Full Day Kindergarten Lunch
10:55 - 11:25	1st grade Lunch
11:15 - 11:45	2nd grade Lunch
11:00 - 11:30	3rd grade Lunch
12:15 - 12:45	4th/5th/6th grade Lunch
2:50	Dismissal
2:50 - 3:05	Teachers supervise students on the sidewalk

TEXTBOOKS

Curricular Materials are chosen by faculty and administrative committees. The school provides curricular materials, and other materials, and students pay an annual book fee to defray purchase and replacement costs.

Students purchase consumable materials which cannot be collected and used the following year. Students are responsible for all books issued to them and must pay full replacement cost for any lost or defaced book.

FIELD TRIPS

Field trips are a part of the curriculum and are considered an extension of the classroom. Each trip is designed to be one of many learning activities included in a unit of study. Educational objectives are written for each trip, and knowledge gained from the experience is incorporated into follow-up activities in the classroom. Some field trips will have limited number or no

chaperones. Students must have signed permission slip to attend.

A note will be sent home describing the trip and will include a permission form to be completed by parents/guardians. The signed permission slip portion of the note must be returned to the teacher before the child can go on the trip. Permission given over the telephone cannot be accepted.

—T-shirts provided & worn on trips.

On some field trips parents are needed to help the teacher with activities and assist in the safe care of the children. Parent chaperones are asked to make other arrangements for their children who are not members of the class. The added responsibility of younger children detracts from a chaperone's effectiveness. Also, this is an opportunity for a parent to share a special school experience with the child.

GRADING SYSTEM

Numerical averages are used on report cards and permanent records for all academic courses.

<u>Grade Scale</u>	
A	90-100
B	80-89
C	70-79
D	65-69
F	64 and Below

Grades for physical education, music, art, Bible, Spanish, STEM computer and penmanship and marks for conduct and effort are recorded as:

- S - Satisfactory
- N - Needs Improvement
- U - Unsatisfactory

Scores on daily activities, homework, projects, and tests are combined to determine an average for the quarter. The two quarter grades are averaged to determine the semester grade.

COLLABORATIVE INSTRUCTIONAL TEAM

Collaborative Instructional Team (CIT) is in place to assist students with enrichment, interventions and/or behavior. If a student is in need of intervention/enrichment based on data and/or teacher's professional opinion, the teacher will complete information about the child to bring to a committee. At this meeting, the professionals will discuss strengths and weaknesses of the student, potential strategies, possible intervention groups, additional resources, challenging

projects/materials suggested, etc. Parents will also be made aware of what will be in place to assist in success and steps they can take to help. If our interventions and strategies do not meet the needs and we believe (the teacher and committee) that the child has deficits associated with Speech and Language, dyslexia, etc., the team may make referral for parent to consider additional services/testing.

STUDENT REVIEW TEAM

Student Review Team (SRT) is in place to assist in the best placement of students due to behavior or lack of ability to meet academic deficits of a child. The team consists of Head of School, administrator, teacher and any other professionals deemed important for best assessing data and documentation in the classroom setting. The team may make recommendation(s) to parent about cancelation of contract, dismissal of student from Lee-Scott Academy or options/suggestions for future success. The teacher, team, etc. will have communication with parents to partner in success and best placement, strategies for improvement and/or recommendations for the child.

REPORT CARDS

These reports contain academic grades, conduct and effort grades, and an attendance report.

If a student does not bring home a report card, the parent or guardian should contact the school concerning the child's progress. Report card folders are sent home each quarter should be signed and returned to school. Parent/teacher conferences will be scheduled after the first quarter. Additional conferences may be requested as needed. At the end of the year, report cards are not issued to students who have overdue library books, unpaid fines, or delinquent tuition.

Student grades can be accessed any time in PowerSchool. Please allow one week after assignment or assessment is given for the grade update to be reflected in PowerSchool.

HONOR ROLL

The "A HONOR ROLL" consists of students, grades 4-6, who earn A's in all academic subjects for a quarter. No "U" can appear on the report card. The "AB HONOR ROLL" consists of students, grades 4-6, who earn A's and B's in all academic subjects for a quarter. No "U" can appear on the report card. The yearly "A HONOR ROLL" and "AB HONOR ROLL" are made up of students on either list for the entire year. Sixth graders are

recognized at their graduation for ALL A's, all 3 years at LSA (grades 4-6) from semester averages.

PROMOTION AND RETENTION

Promotion is the responsibility of the Promotion Committee. In kindergarten - 2nd grade, promotion is determined by the academic accomplishments and physical and emotional maturity of the individual child. Promotion from grades 3 - 6 is based on the student's passing the major basic skills: math, reading, and Language. If D's or F's are earned in major subjects, a student may still be promoted at the discretion of the Promotion Committee. Summer tutoring and placement testing may be used to determine whether the student should be promoted to the next grade.

FINANCIAL REGULATIONS

Tuition payments are due on the first day of each month and are delinquent after the tenth day of the month. For any late tuition payment, there is a \$5.00 late fee charged \$50.00 the account is delinquent and a \$20.00 fee each time thereafter. There is a \$30.00 plus bank charge for returned checks.

If an account is ninety days past due, a student may not (1) enroll in school, (2) enroll during registration for the new school year, or (3) return for the second semester.

All financial obligations must be cleared before report cards or records are sent to another school or released to a student or parents. Please see www.lee-scott.org for tuition information. No person in any capacity should take it upon himself to purchase, order, or in any way obligate the funds of Lee-Scott Academy unless prior approval has been given by the headmaster. Anyone who violates this policy is responsible for the purchase.

All purchases will require the use of a numbered purchase order which can be obtained from the headmaster when the proposed expenditure is discussed.

All money collected at the school or in the name of the school must go through the office so that it can be audited for the protection of school officials, teachers, and students.

ENTERING, TRANSFERRING, AND WITHDRAWING STUDENTS

A student entering school after the school year begins will meet with the headmaster or principal. School policies will be discussed with the student and parents at this time.

Students transferring to another school or withdrawing from Lee-Scott Academy will report to the Head of School or principal at least two days prior to withdrawal so that he/she can be checked out properly and have records cleared.

One transcript will be sent free of charge. There will be a charge for the processing of additional transcripts and materials in the student's file. The school requests written permission to release transcripts. All financial obligations must be cleared before transcripts will be released.

ATTENDANCE

Accrediting agencies require that a student attend a prescribed minimum number of days during the academic year. Students are encouraged to attend school each day of the school year.

Only in unavoidable cases should a student be taken out of school before the close of the day. If it is absolutely necessary for a student to be picked up before school is dismissed, parents must go to the main office and sign the student out.

ABSENCES/MAKE-UP WORK

EXCUSED ABSENCES: Excused absences are: illness of student, death in the family, inclement weather, doctor or dentist appointment, or prior permission of the principal. A parent's written excuse (not verbal) must be brought to the teacher when the child returns to school in order that make up work can be completed.

MAKE-UP WORK: Make-up work for excused absences should be completed as quickly as possible. The general rule is that the student be allowed the same number of days to make up the work as the number of days absent. Long-term projects assigned prior to the absence (and due during the absence) will be due on the day the student returns to school. Students who are absent less than 3 days will make up work upon return to school. Parents may request work if a child is out for longer than 3 days. Please allow 24 hours.

ABSENCES, TRIPS/EXTRACURRICULAR ACTIVITIES: The student will not be excused from class unless prior arrangements have been made with the Lower School principal. A note written by the parents must be filed in the principal's office prior to a trip.

ABSENCES, SCHOOL-SPONSORED EVENTS: Upon returning to school, a student will be responsible for any work or tests assigned during the absence. There may be exceptions if prior arrangements were made with the teacher.

UNEXCUSED ABSENCES: Unexcused absences will include, but not be limited to: going home to change inappropriate clothes and appointments (except doctor or dentist), and family vacations. The family is responsible for completing work missed due to unexcused absences.

TARDIES

Any student reporting to the classroom after 8:00 a.m. will have been marked absent and must check in through the main office.

ILLNESS

A student experiencing an elevated temperature, vomiting, diarrhea, or other symptoms of infectious illness is to remain at home for twenty-four hours after the problem has subsided. A student with strep throat may not return to school until antibiotics have been administered for twenty-four hours. Students with conjunctivitis ("pink eye") may return to school after being treated for twenty-four hours.

MEDICATION POLICY

At no time should a student have medicine at school without the knowledge of the school nurse and classroom teacher.

Parents must give the school nurse any prescription or non-prescription (aspirin, cough drops, nasal spray, etc.) drug and a schedule of the time it is to be administered; it will be kept in a secured place, and the nurse will be responsible for giving it to the student according to the doctor's instructions. A student will not be allowed to self-medicate.

In order for the medication to be given to the student, the parent or guardian must complete a *Student Medication Information form*. The teacher or school nurse will provide parents with this form. This form gives the school permission to administer the medication, and a record of any medications dispensed; it will be on file in the nurse's office.

LIBRARY/MEDIA CENTER REGULATIONS AND PROCEDURES

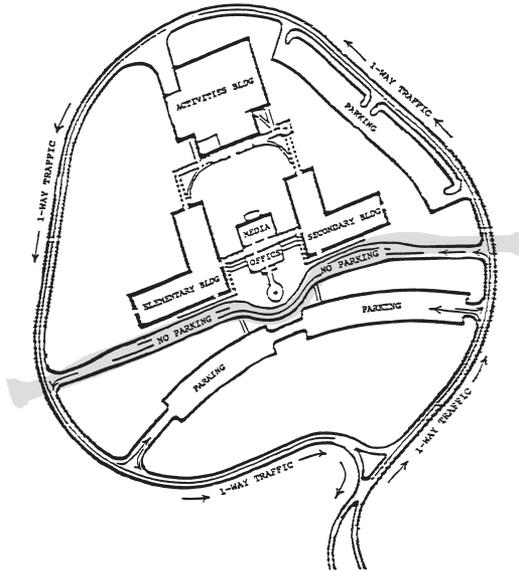

1. The media center is open from 7:30 a.m. until 3:30 p.m.
2. Students in grade 1 may have one item checked out at a time; 2nd graders may have two, 3rd graders may have up to three, 4th graders may have up to four, and 5-6th graders may have up to five items checked out at the same time.
3. All books, except reference and reserve materials, may be checked out for one week by grade 1 - 3 students and for two weeks by grade 4-6 students. Books may be renewed for one additional loan period.
4. Reference materials and reserve materials (unless noted for *Room Use Only*) may be checked out for overnight and are due back by 8:00 a.m. the following school day.
5. Periodicals, except for current issues, may be checked out for one loan period. If they consistently are not returned on time, the student will lose this privilege.
6. The due date will be stamped on all material. By checking out the material, the student acknowledges his/her responsibility to return it in good condition by the due date. If an item is damaged beyond repair, a replacement fee will be charged.
7. The media center will send reminders of overdue materials. Parents will be notified when materials are not returned after repeated reminders. Report cards will be held each grading period until overdue items are returned or replacement fees are paid for lost items.

ARRIVAL AND DEPARTURE

Students should not arrive at school before 7:30 a.m. Teachers' start time is 7:30 am, meaning the student will be unsupervised.

For safety reasons, students cannot be left unsupervised on campus at any time. At the end of the school day, students will be seated in the Lower School hall until picked up. Teachers will be on duty from 2:50 until 3:05. If not picked up by 3:05, students will report to the main office to call a parent and await pickup. *(If a student is to meet an older sibling in the secondary area for pick-up, a note from the parent should be sent to the child's teacher.)* **For safety reasons, parents and caregivers must use the Lee-Scott pick-up card and have child's name visible in the car dash**

TRAFFIC FLOW PROCEDURE

There are three lanes in front of the Lower School Building, and they are No Parking Zones. The lane next to the curb is to load and unload students; the other two lanes are for traffic flow only.

Anyone planning to leave a car should park in the designated parking area. **All parents are encouraged to stay in vehicles to help our process flow smoothly. If for any reason you walk up to the building, you must present child's Parent Pick-Up hangtag.**

ANIMALS AT SCHOOL

The use of animals as instructional aids must be planned by the teacher. By following guidelines issued to schools by the Public Health Department officials, the experience can be made safer for both children and animals. Each teacher has a copy of the Alabama Department of Public Health guidelines for animals in the schools.

BAND

The Lee-Scott Lower School band program is for beginning band students enrolled in the sixth grade.

PARTIES

Party invitations may be handed out at school provided each child in the class receives one. Private parties are not held at school, but instead we will hold "Birthday Month" celebrations for each child having a birthday that month. Room parents provide treats for birthdays one time per month in the cafeteria for all. Each class has a Christmas party and an End of the Year party. First grade classes have Easter Egg Hunts. Room mothers assist with these parties.

CELL PHONES & SMART WATCHES

Cell phones must remain OFF and kept in backpacks during school hours. Smart watches, such as the Apple watch, have similar capabilities as cell phones and will be treated as noted above.

ELECTRONIC MEDIA/SOCIAL MEDIA

Videos and pictures taken during school-sponsored events (Ex: field trips, Field Day, camp, ball games, pep rallies) may not be posted on Social media or any other social media. Students privacy is imperative. Students should refrain from posting any negative comments on social media. Only positive comments should be shared.

LUNCH PROGRAM

The cafeteria provides lunches for students who choose to buy them. Students may bring a lunch from home.

Lunch is served in the cafeteria, and students are expected to put all trash in the waste cans.

SNACKS

Students may bring a snack for recess or designated snack time.

VISITORS

All visitors, including parents, must report to the main office before visiting any classroom during the school day.

EMERGENCY PROCEDURES

SEVERE WEATHER DRILLS

Lee-Scott has a Civil Defense warning device (radio) to notify the school of possible severe weather. Teachers have designated areas to take students to a safe place away from all outside walls. Upon notification of a tornado warning, the teachers will take students to these locations and take proper precautions.

LOCK-DOWN DRILLS

Lee-Scott will periodically practice lock-down drills. The drills will allow teachers and students to be familiar with safety protocols in the event of an intruder being on campus.

CLOSING SCHOOL DUE TO SEVERE WEATHER

It sometimes becomes necessary, usually because of threatening weather, for school to close early. This decision is made after consulting with agencies such as the Office of Civil Defense, the Police Department, the State Trooper Office, and local weather officials. Schools are sometimes requested to close early to prevent traffic problems caused by blocked streets, slick road surfaces, or congestion.

School will be dismissed only at the request of the proper authorities. Should it become necessary for school to be dismissed, the local radio stations are immediately contacted and asked to begin making announcements. A sufficient number of school employees will remain on duty at the school to provide supervision of students until all are safely departed.

There are certain things that you, as a parent or guardian, are requested to do. These are:

1. Instruct your child as to what he/she should do if school closes early.
2. If no one is likely to be at home, be sure your child knows where to go; (to his own home, to a neighbor's house, to stay with a relative...)
3. Make arrangements to have your child picked up immediately if school closes early. Children can get quite upset if they have to remain at school for several hours with no contact with their parents. Also, traffic conditions usually get worse during the day.
4. Do not depend on a telephone call to the school to give instructions when school closes early. The school's telephelines are flooded with calls, and it is very difficult to

get a call through. Often the telephones are out of order due to bad weather.

5. If weather conditions at home are such that you feel it necessary to pick up your child early, please come directly to the school and notify the office before going to your child's room. It is impossible for the office staff to deliver messages to students during severe weather because of the necessity of putting emergency plans into operation. **PLEASE DO NOT TIE UP THE SCHOOL TELEPHONE LINES.** It is necessary for the telephone lines to remain open for communication with emergency officials.

In the event school will not be in session due to the weather conditions, local radio stations will be notified by 7:00 a.m.

FIRE DRILL INSTRUCTIONS

1. The fire drill signal is the sounding of the fire alarm and flashing lights.
2. Students will exit the room in a quiet, orderly manner and remain in line throughout the drill. The last student out of the room should close the door.
3. Students not in regular classes will leave the building in an orderly fashion.
4. No student should return to the building for any reason until the all-clear signal is given (the sounding of the bell in long rings).
5. Fire drill information for each room is located near the door on the inside of the classroom. Teachers and students should be familiar with these directions.
6. Fire drills will be held at least once a month.

CARE OF SCHOOL PROPERTY

The buildings and fixtures are provided at great expense to the parents and friends of Lee-Scott Academy. It is expected that every student will refrain from defacing or destroying school property. Also, every student should help the janitorial staff by trying to keep campus clean and cleaning after self.

ARTICLES NOT PERMITTED AT SCHOOL

Students are not allowed to bring articles to school which are dangerous or could be used as a weapon, unnecessary for usual classroom work, subject to be stolen, or distracting to others (toys, make-up, perfume). Pets are not allowed at school.

DRESS CODE

Just as a student's behavior reflects credit to the parents and student alike, a student's dress and appearance should be a joint responsibility as well. This dress code has taken into consideration student safety and enhances a proper academic setting conducive to optimum learning.

The principal or headmaster will make decisions regarding appropriate dress. If a student violates the dress code, parents will be contacted to provide appropriate clothing.

<u>Girls</u>	<u>Boys</u>
slacks	slacks
Capri pants	cargo pants
Shorts must be hemmed around bottom edge (must measure no more than 4" from floor when kneeling)	Shorts must be hemmed around bottom edge (must measure no more than 4" from floor when kneeling)
jeans (not torn, ripped or ragged)	jeans (not torn, ripped or ragged)
shorts/skirts/dresses measure no more than 4" from floor when kneeling (skirts with slits will be measured to the top of the slit)	
shirts/blouses must cover shoulders and have modest necklines (no halters, tank tops, spaghetti straps)	shirts must cover shoulders
all shirts tucked in unless designed to be worn out	all shirts tucked in
no tee-shirts with alcohol or tobacco ads, or vulgar language/references	no tee-shirts with alcohol or tobacco ads, or vulgar language/references

<u>Girls</u>	<u>Boys</u>
tennis shoes only (lace-up or velcro)	tennis shoes only (lace-up or velcro)
no sweat suits, warm-up pants, or athletic/P.E. shorts	no sweat suits, warm-up pants, or athletic/P.E. shorts
no clothing showing undergarments or midriff	no clothing showing undergarments or midriff
clothing cannot be too tight or oversized	clothing cannot be too tight or oversized
no hats, caps or other head covering worn during school hours	no hats, caps or other head covering worn during school hours
no body piercing or visible tattoos	no earrings, body piercing or visible tattoos
no non-traditional hair styles or coloration	no non-traditional hair styles or coloration
hair may not obscure vision	hair may not obscure vision above collar, clean cut

GUM CHEWING

Students at Lee-Scott Academy are not allowed to chew gum in the classroom or anywhere else on campus at any time. Gum chewing is not acceptable while in school.

SELLING MATERIALS ON SCHOOL GROUNDS

It is against school policy for any individual or group to sell or distribute any goods on school grounds or use the school's name in any way to raise funds unless prior permission has been obtained from the headmaster. Persons in violation of this policy are subject to disciplinary action which may include suspension.

CONDUCT AT SCHOOL-SPONSORED EVENTS

Students should remember that conduct rules and regulations at school-sponsored events are the same ones that apply during

the regular school day. Parents are also urged to conduct themselves in a mature manner at school-sponsored events.

Students should not go behind any of the buildings during these events. They should only be in areas where there are adult sponsors.

Teachers and coaches are responsible for student discipline both at school and during functions away from the school.

Coaches will be held responsible for the conduct of athletes on or off the field or court or traveling back and forth to the place of the activity. School sponsors will also be responsible in the same way for school academic teams or club members at activities.

CODE OF BEHAVIOR AND CONDUCT

COMMON COURTESIES: There should exist at Lee-Scott Academy an atmosphere that is calm, self-disciplined, and conducive to learning. Any interruption of that atmosphere can lead to a disruption of learning and studying; no student has the right to deprive another student of that environment.

Students are expected to behave as ladies and gentlemen in a mannerly fashion at all times and uphold the standards and ideals of the school. It is also expected that all students abide by school regulations and respect proper authority.

CLASSROOM COURTESIES: It is expected that students accept responsibility and make a habit of expecting to work. A cooperative attitude with teachers and students in class activities is essential. Students should form the habit of talking in a conversational tone and not talking while someone else is talking.

ASSEMBLY COURTESIES: Students should enter the assembly in a quiet and orderly manner and remain this way for the entire assembly. Respect for the speaker or entertainer should be shown throughout the program. Applause should be done in a cultured and respectful manner.

SUSPENSION

Behaviors that could lead to suspension from school are: attempt to cause physical harm; possession of weapons, tobacco, drugs; misconduct during athletic events, field trips or other school activities away from school or at school; theft; destruction of property; prolonged insolence or insubordination; use of inappropriate or vulgar language, or consistent behavior issues preventing teaching and learning.

Any student guilty of any of these acts may be suspended by the principal or headmaster. Most suspensions will be for a definite time; however, if the offense is exceptionally severe, the suspension could be for an indefinite period of time. Parents will be immediately notified of the reason for and length of the suspension.

CHEATING AND STEALING

Cheating is defined as “either giving or receiving assistance on any graded work understood to be an example of individual effort.” Any incident of cheating will be discussed with the student by the teacher. Parents will be notified.

Cheating will not be tolerated at Lee-Scott Academy.

Stealing will not be tolerated at Lee-Scott Academy.

PRIMARY PLAYGROUND

The time students spend on the playground is a part of the daily program for students enrolled in the preschool, kindergarten, and primary grades. Some classes are scheduled to be on the playground late in the school day. For safety reasons, parents who arrive early to pick up students should not allow younger children into the fenced area until all students have returned to the classrooms.

PLAYGROUND COLD WEATHER POLICY

When wind chill factor is less than 32 degrees or less than 40 degrees with precipitation, recess will be indoors. If the wind chill is above the aforementioned temperature, it is still up to the teacher and administrator discretion on location. Student dress (i.e. shorts in cold weather) is a strong determinant in this decision. Please dress appropriately for cold weather.

HARASSMENT/DISCRIMINATION POLICY

Lee-Scott Academy will not tolerate discrimination against or harassment of its students or employees. Any form of discrimination against or harassment related to a student's or employee's race, color, sex, religion, national origin, or age is a violation of this policy, and will be treated as a disciplinary matter. This policy is intended to cover any harassment or discrimination against a student or employee by other students, or employees on or off the Lee-Scott Academy property or while engaged in Academy-sponsored activities. Appropriate action may also be taken against non-Academy personnel or students who violated this policy, including formal complaints to their employer or school and/or restricting access to Academy property.

Harassment must be so severe or pervasive that it objectively creates a hostile, intimidating, or offensive environment. The recipient of a complaint should inform the complainant of this policy and refer the complainant to the Secondary Principal and/or the Lower School School Principal. These two administrators will investigate the incident, consult with other appropriate Academy officials if necessary, and will resolve the complaint, if possible. It is the intention of the Academy to resolve complaints as quickly as possible, usually within forty-five class days of receipt.

The investigation record will consist of informal statements (not taken under an oath) from the alleged victim(s), the alleged offender(s) and witnesses. If the results of the preliminary Academy investigation done jointly by the Secondary and Lower School Principals or other persons designated by the Headmaster are accepted by the alleged victim(s) as conclusive and no further action is requested, he/she will sign a statement requesting the Academy take no further action. (In case of a minor, the parent or guardian will sign the statement).

The Academy will attempt to handle complaints confidentially on a need to know basis with a view toward protecting the complaining party from possible reprisal and protecting the accused from irresponsible or mistaken complaints. False allegations or charges are discouraged and may subject the complainant(s) to disciplinary action.

If the complaint is not resolved conclusively by the Principals, or the designated persons, the matter will be referred to the Headmaster or his/her appointed alternative for final action on behalf of the Academy. If disciplinary action is warranted, the Headmaster or his/her appointed alternative will implement such action.

The Academy is a College Preparatory Institution and is bound by its Mission Statement and Policies. The Academy is not subject to IDEA (Individuals with Disabilities Education Act) or FAPE (Free Appropriate Public Education).

ACKNOWLEDGEMENT

My parents and I hereby acknowledge that we have received, read and understand the *Lee-Scott Academy Lower School School Handbook* and agree to abide by the rules and procedures that are described in it.
