

Dear Lee-Scott Academy Family,

This afternoon Governor Kay Ivey and Dr. Scott Harris (ADPH) issued a stay at home order beginning 5:00 pm Saturday, April 4, 2020 through 5:00 pm Thursday, April 30, 2020. The order included extending the closure of independent schools. Therefore, Lee-Scott Academy will continue remote learning through April 30, 2020.

All school programs, including athletics, arts, travel, and others, are also suspended through April 30, 2020. We will work diligently to find unique and creative ways to honor our seniors and ask for your patience as we look at how best to celebrate them moving forward. While this is not what any of us had hoped for, we remain committed to following the course of action that best serves the health and safety of our students and of our wider community.

We are committed to continue delivering excellence in education during this closure time. Our faculty and administrators have been working diligently these past weeks not only to deliver instruction in new and creative ways, but also to evaluate and plan for the best ways to serve the needs of our students. For Lee-Scott Academy, learning is not optional. We remain committed to delivering excellence in education during these unique circumstances.

We thank you for your ongoing support of our school during this time of uncertainty. We know that these circumstances are challenging to many, yet we are reminded of how very fortunate we are to be a member of such a caring and supportive school community. Our hope is to provide continuity for our families as we plan for the 2020-2021 school year. We are grateful for each of you and look forward to a bright future and to the time when we can again be together in person.

There are many unknowns for us in the near future, but I truly believe our country, our community, and our school will bounce back strong. Events like these get our attention and cause us to count our blessings. The Lee-Scott Academy family is among mine.

We will follow up with more specific information as we move forward. For now, I hope you have a restful night and a great weekend.

God Bless,

Dr. Stan Cox
Head of School
