

Response to COVID-19: Volleyball Game Management

Lee-Scott Academy athletics is pursuing a shared responsibility in taking measures necessary to provide a safe atmosphere for all student-athletes and fans.

Lee-Scott Academy will follow the following guidelines in response to COVID-19 for volleyball games:

- Masks are required on campus and while attending all games.
- Social distancing is required on campus and while attending all games.
- Fans must sit as a family unit and be a minimum of six feet away from other family units.
- Gate workers will be required to wear a mask when collecting money.
- If the concession stand is open, there will be a plexi-glass shield barrier in place and all workers will wear masks and gloves.
- The scorer's table will be limited to essential personnel which includes: Home Team Scorer; Libero Tracker; and a Timer. Individuals will be spaced 3 ft. to 6 ft. apart, and all will be required to wear a mask.
 - **NOTE:** Visiting team personnel is not considered essential.
- Children must remain with an adult at all times. Children are not allowed to play in common areas, including playgrounds, green space, or in any area inside the activities building.
- **NO** court access for fans before or after games. Fans will be encouraged to exit to the gym while socially distanced immediately following the game.
- Student-athletes will be socially distanced on buses provided by LSA, will have assigned seats on the bus per ADPH guidelines, and will be required to wear masks when needed.

Lee-Scott Academy will continually update our safety guidelines in response to current COVID-19 impacts in our community, and will communicate these updates to parents and student-athletes as needed. Our goal is to keep our student-athletes and families safe and healthy while allowing our student-athletes the opportunity to participate in a fall sports season.

Notice of Risk: An inherent risk of exposure to COVID-19 exists in any public space where people are present. While visiting our campus, you understand that COVID-19 is a contagious disease and if infected you may exhibit no symptoms, mild symptoms, severe symptoms, and even death can occur. According to the Centers for Disease Control (CDC), senior citizens and persons with underlying conditions are particularly vulnerable. By visiting our campus, you voluntarily assume all risks related to the possible exposure of COVID-19 and agree to adhere to all posted or verbal instructions to help us mitigate the spread of COVID-19.

If you have any questions, please email Athletic Director William Johnson at wjohnson@lee-scott.org or Assistant Athletic Director Cory Ivatt at civatt@lee-scott.org.
