THE MISSION

Lee-Scott Academy is a college preparatory school offering a quality education in an environment where students are protected, nurtured, and challenged with Biblical, Christ centered principles that promote the development of the total person. The pursuit of excellence in academics is the hallmark of the Academy, complemented by opportunities to participate in programs that encourage student success.

Keys to the Mission

COLLEGE PREPARATORY—Lee-Scott Academy offers classes specifically designed to prepare its graduates for entrance to and success at the college level. The curriculum is designed to challenge students to obtain the knowledge and skills necessary to excel in college and in life.

QUALITY EDUCATION—The academic goal of Lee-Scott Academy is to equip students for achievement through the acquisition of knowledge and the development of their abilities. To this end, Lee-Scott Academy provides a faculty distinguished by the competence, qualification, dedication, and personal character of its members. The Academy strives to provide the faculty and staff with the facilities, equipment, curriculum material, and support essential to accomplish this goal.

ENVIRONMENT—Lee-Scott Academy strives to offer an environment that is safe, enjoyable, caring and stimulating. This unique environment is designed to nurture the growth of balanced, responsible, and dedicated young people. A vital part of this environment is the active participation of parents and families.

CHRIST CENTERED PRINCIPLES—Central to the success of Lee-Scott Academy and its Mission are the Christ centered principles and Biblical worldview upon which the Academy was founded. Biblical principles are derived from the inerrant and inspired word of God and serve as the basis for the expected conduct of students at Lee-Scott Academy. On this foundation, the Board of Trustees, administration, and faculty strive to implement a total educational process that reflects the Mission and glorifies God.

TOTAL PERSON—The Academy emphasizes the development of each student in all areas of life: mental, physical, spiritual, and social.

PURSUIT OF EXCELLENCE—Lee-Scott Academy is committed to the pursuit of excellence in academics. Excellence in all of life is encouraged by helping each student develop purpose, Godly character, responsibility, leadership, respect for authority, and appreciation for our nation's heritage and our free enterprise system.

STUDENT SUCCESS—Lee-Scott Academy recognizes that each student has great worth and significance. The Academy thus offers a variety of athletic and extracurricular programs that afford students the opportunity for meaningful growth and fulfillment of their talents and gifts.

PHILOSOPHY OF LEE-SCOTT ACADEMY

Lee-Scott Academy is a college preparatory school committed to excellence in our total educational program. The founders of the Academy firmly believed that a quality education that leads to productive, purposeful, and fulfilled lives must be based upon the truths of God, as revealed in Jesus Christ and proclaimed in the Bible. They further held that hard work, pursuit of knowledge, integrity, sacrifice, citizenship, and prayer are qualities that define America's heritage and are essential to the well-rounded development of students. We share these convictions, and they remain fundamental to our school's philosophy of education.

Believing that preparation is important in every endeavor, we equip our students for success in college and in life by emphasizing English, mathematics, history, geography, science, foreign language, computer applications, fine arts, and study skills. In addition to a challenging and balanced academic curriculum, we value the benefits of athletic programs and other extracurricular activities that promote the student's sense of character, responsibility, fair play, teamwork, and commitment.

We know that children study, learn, interact, and participate best when in a safe environment. We not only emphasize our children's physical safety, but we also desire that they be emotionally secure. We believe that our staff, teachers, and coaches should be positive role models for our children and should be sensitive to the needs of each student. Because we believe that schools and parents must work together, we encourage parental involvement. In return, we expect our students to learn respect for authority, to become accountable for their actions, and to exhibit self-discipline.

We desire unity of spirit and purpose at Lee-Scott Academy and believe that encouragement of others is a key to achieving that unity. We want all of our students to be encouraged and treated with respect by their fellow students. We believe that God created each of us in a unique and special way and intends that we appreciate the individuality of others. We adhere to Christ centered principles and truths in determining all aspects of student conduct at Lee-Scott Academy. We make all determinations as to gender identity on the basis of the student's gender at birth; that is, the gender in which God intended to be given the child at its birth. Consequently, our school is open to all qualified students without regard to race, color, or national and ethnic origin.

We believe the Mission Statement and this Statement of Philosophy are vital to the life and direction of Lee-Scott Academy, but words alone do not ensure success. We expect to be measured by our actions and by the lives of our graduates in their service to God, their families, and their communities.

ADMISSIONS

Admissions Policy

Lee-Scott Academy admits students of any race, color, national and ethnic origin or religion to all the rights, privileges, programs, and activities generally made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin or religion in the administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

Lee-Scott Academy is a co-educational college preparatory school. Satisfactory grades, test scores, and an honorable record at previous schools are required for admission to Lee-Scott. Tests for admission and/or placement may be required. Completed recommendations will be used in determining which applicants should fill vacancies in the Lee-Scott student body.

Entering, Transferring, And Withdrawing Students

A student entering Lee-Scott Academy after the school year begins will meet with the Counselor, Upper School Principal, or Head of School. At this time, the rules of Lee-Scott Academy will be discussed with the student and parents.

A student transferring to another school or withdrawing from Lee-Scott Academy will report to the Counselor or Director of Admissions at least two days prior to withdrawal so that he/she can be checked out properly and have records cleared.

One transcript will be sent free of charge. There may be a charge for the processing of additional transcripts and materials in the student's file. Written permission from the parent/guardian will be required in order to have transcripts sent to the new school.

All financial obligations must be cleared before transcripts will be released.

Financial Regulations

Tuition payments are due on the first day of each month and are delinquent after the tenth (10th). Statements are only mailed to past due accounts. For any tuition payment there is a \$50.00 late fee. There will be a \$30.00 charge for all checks returned to the school for insufficient funds.

All accounts must be current to register for the next school year.

No person in any capacity should purchase, order, or in any way obligate funds of Lee-Scott Academy without prior approval by the Head of School. Anyone who violates this policy is responsible for the purchase. All purchases will require the use of a numbered purchase order

that can be obtained from the Head of School when the proposed expenditure is discussed.

All money collected at the school or in the name of the school must be submitted to the office for completion of appropriate auditing procedures.

Pregnancy Policy

In the case that a female student at Lee-Scott Academy is determined to be pregnant, the following policy will be applied. If both individuals involved can be determined and attend Lee-Scott Academy, the following actions will apply to both students:

1. The administrator will have a conference with the student and parents.
2. The student will be required to withdraw. If the pregnancy occurs close to the end of the school semester, the involved students may be allowed to attend an alternative setting to complete the semester at the discretion of the Executive Board on the recommendation of the Head of School
3. Pregnant students will not be allowed to enroll at LSA.

ACADEMIC REQUIREMENTS

Curriculum

The curriculum follows requirements of the Southern Association of Independent Schools and Alabama Independent Schools Association. The program is designed to prepare the student to be successful in college. Because the entrance requirements for different colleges and fields of study vary, students should select high school courses that conform to the specific entrance requirements of the college of their choice. This fact stresses the importance of an early decision concerning college selection and career goals. Our Upper School curriculum is under continuous review to ensure our students are receiving the finest preparation available.

Textbooks

Curricular materials are chosen by faculty and administrative committees. The school provides curricular materials, and other materials. Students are responsible for all books issued to them and must pay full replacement cost for any lost or defaced book. LSA reserves the right to make curriculum changes, personnel decisions and all matters associated with school functions without notice or input.

Promotional Materials/Statements

The school continually strives to ensure the accuracy of all written materials, including, but not limited to, promotional information, catalogs, brochures, handbooks, curriculum guides, and advertisements. In an effort to do so, however, information included in the materials (including

class sizes, student-to-teacher ratios, school accreditation, teacher qualification, specialization, and length of service, course offerings, etc.) may change as programs grow and staff changes. Prior to relying on any written materials in making your decision to enroll your child in the school, please verify the accuracy of information with the Admission Office and/or school principal. Please also understand that even if the information was accurate at the time that you enrolled your child, the information may change prior to commencement of classes or during attendance at the school. Please also note that only the Head of School (or his/her designee) has the authority to make commitments regarding the nature of the program, specific arrangements for the child, or other changes from the school regular curriculum.

Standardized Testing

Test scores of Lee-Scott Academy students exceed the Alabama Independent School Association and the Alabama Department of Education requirements on standardized testing. Standardized tests, such as ability, achievement, and interest tests are used when the need warrants. The following is the testing schedule for students in grades 7-12:

- 7th: ACT Aspire, formative and summative
- 8th/9th: PreACT
- 10th: PSAT (Preliminary Scholastic Aptitude Test), ACT (spring)
- 11th: PSAT, ACT (fall and spring)

More information on our standardized testing and preparation is available in the Upper School Office or from the Counseling Office.

Counseling

It is the aim of the school that each student profits as much as possible from the school program at Lee-Scott Academy. Students are assisted in their plans for further education and/or future employment. The school counselors, Head of School, and Upper School principal are available to work with students, parents, and teachers toward the academic and social growth of each student. Students and parents are also encouraged to contact the Counselors or Upper School Principal for assistance concerning any necessary adjustments to various phases of school activities. Confidentiality is assured.

The counselor's office will be communicating post-high school information (college application process, deadlines, scholarship opportunities, etc) via email, posting on bulletin boards and websites and individual conferencing with students and parents. Students should work with the counselor to build a complete resume by taking appropriate courses, maintaining contact with the counselor and colleges, and meeting deadlines for scholarships, applications, etc. Students needing school attendance verification may see the Upper School secretary.

Grading System

Marks for daily activities, homework, projects and tests are combined to determine a quarter average. Each teacher will communicate his or her individual grading policy at the beginning of the course.

Semester 1

Quarter 1: 40%

Quarter 2: 40%

Exam: 20%

Semester 2

Quarter 3: 40%

Quarter 4: 40%

Exam: 20%

If students qualify for an exam exemption, each quarter will count for 50% of the semester grade. Advanced Placement, Dual Enrollment and Honors courses may have grades over 100. Regular courses may not have grades over 100.

Grading Scale:

90-100: A

80-89: B

70-79: C

65-69: D

Below 64: F

Parents and teachers are encouraged to monitor grades through PowerSchool. Lee-Scott's school calendar will reflect dates for mid-quarter and the end of the quarter. Grades reported at mid-quarter might not represent 50% of the work for that quarter.

Questions concerning grades or assignments are most effectively addressed through email to the teacher or conferencing. Teachers will respond within a reasonable period of time. If questions are not adequately addressed, parents/students should see the Counselor or Upper School Principal.

Academic Average

The academic average is the numerical semester average of the five core academic areas (English, Social Studies, Mathematics, Science, and Foreign Language – 2 years) from grades 9-12. Academic average is used in determining such things as: Valedictorian, Salutatorian, and Honor Graduates.

Grade Point Average (GPA)

GPA includes all credit courses a student completed throughout his or her high school career, from grades 9-12. (This includes electives.)

AP Courses

A student who completes an AP course with an 85% semester average or higher, will have 10 points added to his/her semester average. In order to receive the extra 10 points for taking an AP course, a student must receive an average of 85% or higher and complete the AP exam in May.

In addition to the added 10 points, students will receive additional weight to their GPA for completing an AP course. (GPA weight is added regardless of the semester average, even if the student did not receive an 85% or higher.)

Honors Courses

A student who completes an Honors course with a 90% semester average or higher, will have 5 points added to his/her semester average. In addition to the added 5 points, students will receive additional weight to their GPA for completing an Honors course. (GPA weight is added regardless of the semester average, even if the student did not receive a 90% or higher.)

	Grade Scale	GPA Scale	Honors GPA Scale	AP GPA Scale
A	90-100	4.0	4.5	5.0
B	80-89	3.0	3.5	4.0
C	70-79	2.0	2.5	3.0
D	65-69	1.0	1.5	2.0
F	Below 65	0.0	0.0	0.0

Exam Exemption Policy

Lee-Scott recognizes the importance of learning to prepare for cumulative exams. We also believe that consistent daily attendance (to include prompt arrival to class), academic preparation and personal conduct are of high value. We hope to achieve these goals by offering an exemption incentive for semester exams. The incentive offers a greater reward for students as they progress from 7th through 12th grade. Students who qualify for exemptions are not required to come to school at the times they are exempt. Exemptions are earned for **each semester** according to the following criteria:

Grade 7 - 8

7th - 8th grade students are required to take these exams according to the following schedule:

- 1st Semester – Math and Science
- 2nd semester – English and Social Studies

For all other courses, 7th - 8th graders can exempt exams according to the

following criteria:

A student may exempt all other exams if they meet all of the following criteria each semester:

- a. An average of 85 or above in the class
- b. Less than 3 conduct checks
- c. Less than 3 unexcused absences in the class

Grade 9

9th grade students taking English, science, math, social studies and foreign language are required to take 2 exams each semester. Exam choices can't be the same from 1st to 2nd semester. Spanish I and math are required as a choice for either 1st or 2nd semester.

For all other courses, 9th graders can exempt exams according to the following criteria:

1. A student may exempt all other exams if they meet all of the following:
 - a. An average of 85 or above in the class
 - b. Less than 3 conduct checks
 - c. Less than 3 unexcused absences in the class

Grade 10

10th grade students taking English, science, math, social studies and foreign language, are required to take 2 exams each semester. Exam choices can't be the same from 1st to 2nd semester. For 10th graders, Spanish II and math are required as a choice for either 1st or 2nd semester.

For all other courses, 10th graders may exempt exams according to the following criteria:

A student may exempt all other exams if they meet all of the following:

- a. An average of 85 or above in the class
- b. Less than 3 conduct checks
- c. Less than 3 unexcused absences in the class

Grade 11

11th grade students taking English, science, math, social studies and foreign language are required to take 2 exams each semester. Exam choices can't be the same from 1st to 2nd semester. Students in grade 11 may select Spanish III as an exam choice.

For all other courses, 11th grade students can exempt exams according to the

following criteria:

A student may exempt all other exams if they meet all of the following:

- a. An average of 85 or above in the class
- b. Less than 3 conduct checks
- c. Less than 3 unexcused absences in the class

Grade 12

12th grade students taking English, science, math and social studies or Spanish IV are required to take exams according to the following schedule with Spanish IV being a possible exam choice:

1st Semester – exams in 2 academic courses of your choice

2nd Semester – seniors may exempt all courses if qualified

For all other courses, 12th graders can exempt exams according to the following criteria:

1. A student may exempt all other exams if they meet all of the following criteria.
 - a. An average of 85 or above in the class
 - b. Less than 3 conduct checks
 - c. Less than 3 unexcused absences in the class

NOTE: AP courses will offer teacher-made exams at the end of each semester, which will be subject to the exam exemption policy, however, the national AP exams are **required** for all students enrolled in AP classes and are not subject to the exam exemption policy. Additionally, an exam is **required** both semesters for students in dual-enrollment Calculus and dual enrollment Pre-Calculus.

NOTE: Exemption status is based on unweighted semester average.

NOTE: Excessive unexcused tardies to any class will result in conduct checks that affect exemption in ALL classes.

Parent/Teacher Communication

Parent/Teacher conferences are encouraged to foster open communication between school and parents. Whenever possible, parents should attempt to conference with teachers at school, either by email, phone or in person during a teacher's planning time. The Upper School Principal and/or Counselor will be available to schedule these conferences and participate as needed. We value our teachers and try to be respectful of the time that is needed after school hours for their family responsibilities. Please do not expect a response to email after school hours.

School/Family Cooperation

The School believes that a positive and constructive working relationship between the School and parent is essential to the fulfillment of the School's educational purpose and responsibilities to its students. If the parent's or other family member's behavior, communications, or interactions on or off campus (including during school-sponsored events) is disruptive, intimidating, or overly aggressive, or reflects a loss of confidence or serious disagreement with the school's policies, methods of instruction, or discipline, or otherwise seriously interferes with the School's safety procedures, responsibilities, or accomplishment of its educational purpose or program, the School reserves the right to dismiss the family from the school. In addition, the School reserves the right to place restrictions on parents' or other family members' involvement or activity at school, on school property, or at school-related events if the parent or other family member engages in behavior or has a status (such as a criminal conviction) that would reasonably suggest that such restrictions may be appropriate for the school. There will be no refund of tuition where such enforced withdrawal occurs and any unpaid balance is payable in full according to the terms of this Contract. If, for any reason, it is in the best interest of the School, the School also reserves the right to withdraw an offer of enrollment or re-enrollment at any time, and to nullify an executed Enrollment Contract.

Honor Roll

Honor Roll is based on the student's quarter grade in every class. Honor Roll classes are not weighted. Weighted classes are calculated at semester, not quarter. Honor Rolls are not kept for semesters.

The A Honor Roll consists of all students earning only A's in all classes for a quarter. The A-B Honor Roll consists of all students earning A's and B's for a quarter. The yearly A Honor Roll includes students who earn A's in all classes for the first three quarters of the year. The yearly A-B Honor Roll consists of students who earn A's and B's for the first 3 quarters of the year.

Collaborative Instructional Team

The Upper School Collaborative Instructional Team (CIT) is a professional committee composed of the school administrator, counselor, instructional coach and classroom teachers. It meets at least once a quarter or more frequently as needed to review and discuss students that are demonstrating academic or behavioral challenges at school. As a team, we discuss all aspects of the student's school experience with the goal to improve long-term success. The Collaborative Instructional Team meets with the student's teachers with the purpose to review general observations, work samples, grades and also to discuss and offer recommendations for improvement. The CIT may recommend specific classroom strategies, study groups or tutoring. Both student and parental involvement are essential to any CIT plan as we recognize the role of each in sustained improvement. CIT may recommend to parents that an evaluation by a certified psychometrist or school psychologist is needed for further information.

CIT documentation will include, but not limited to, the following:

- Grades
- Assessments (formative and summative)
- Written work
- Observation notes
- Recommendations from teachers regarding previous strategies implemented
- Student and parent contact
- Counselor insight

Classroom accommodations, beyond what is done for every child at LSA, will only be administered after a complete battery from a certified Psychometrist or Psychologist has been submitted. Complete battery must be within a 12 month period.

Approved accommodations for Upper School:

- Counselor support for emotional and social needs
- Simultaneously give written and verbal information
- Use of iPad or MAC to take notes
- Provide background knowledge
- Use cooperative learning
- Preferential seating
- Additional time when appropriate at a time at the discretion of the teacher
- Testing in a separate, quiet room not to exceed time and a half on tests only
- Progress monitoring by Instructional Coach and counselors
- Help with organizational skills

Student Review Team

Student Review Team (SRT) is in place to assist in the best placement of students due to behavior or lack of ability to meet academic deficits of a student. The team consists of the Head of School, administrator, teacher and any other professionals deemed important for best assessing data and documentation in the classroom setting. The team may make recommendation(s) to parents about cancelation of contract, dismissal of the student from Lee-Scott Academy or options/suggestions for future success. The teacher, team, etc. will have communication with parents to partner in success and best placement, strategies for improvement and/or recommendations for the student. Additionally, if parents are unhappy with any aspect of the functions of the school setting, the parents or Lee-Scott Academy have the option to non-renew the contract or cancel the current student contract at the expense of the parents.

Promotion And Retention

Lee-Scott Academy does not support skipping grades. Students will be challenged horizontally in their current grade level curriculum in a variety of subjects. We also promote involvement in multiple extra curricula from Lower School to Upper School, allowing for a more well rounded school experience. When students enter the Upper School, honors, Dual Enrollment and Advanced Placement (AP) classes are an option for consideration. These classes extend the curriculum with more advanced opportunities than the given curriculum. Students can choose some AP and other regular classes or all of either when options are available.

Grades 7-8

In Grades 7-8, promotion or retention may be the responsibility of the Collaborative Instructional Team. This committee may be composed of the Head of School, Upper School Principal, Counselor, and any of the student's teachers in consultation with the parent(s).

Grades 9-12

Students in grades 9-12 earn credits toward graduation by semester. Students who do not achieve an average of 65 or above for the semester will be required to make up for the failed semester(s) in the summer or at a time approved by the school by completing a credit recovery class. A maximum of two credits may be earned in summer school. All summer school registrations must be approved by the Upper School Principal or Counselor prior to enrollment. **Students should not expect to be rescheduled in classes they have failed.**

Credit Recovery

Any student in grades 9-12 that fails English, history, math, science or foreign language for any semester should anticipate completing a credit recovery class. Students should not expect to be rescheduled in courses they failed during the preceding school year. There are a number of distance education programs available to students. While Lee-Scott Academy will help our students by providing contact information for these programs, this should not be taken as our endorsement of them. Any student desiring to participate in AISA/LSA athletics must meet AISA and LSA academic eligibility requirements. All athletic eligibility is determined by semester. (For questions regarding athletic eligibility, please call the Upper School Principal or Athletic Director.) Students and parents are encouraged to carefully select the online program. For students interested in pursuing collegiate athletics, please note that the NCAA may not accept certain online coursework. Online credit recovery options include, but are not limited to:

<https://www.keystoneschoolonline.com/credit-recovery.html>

<https://www.blueprintededucation.org/>

<https://iss.crhosts.com/>

www.compuhigh.com

Graduation Requirements

Beginning in the 9th grade, students earn unit credits for courses they pass. Currently, no credit may be earned at LSA before a student is enrolled in the ninth grade. The student shall complete the senior year at LSA and fulfill the requirements for a diploma. In addition to the following academic requirements, a minimum of 75 hours of community service is required. Please see the LSA website for detailed volunteering information and the service hour documentation form.

Advanced College Prep Diploma - 27 Total Credits

COURSE	UNIT CREDITS REQUIRED	SPECIFICS
English*	4	
Math*	4	Must include Geometry, Algebra II, and Pre-Calculus.
Science*	4	Must include Biology and Chemistry.
Social Studies*	4	Must include World History, American History, Government and Economics.
Health	0.5	Health is required and offered in the 8 th grade or online during the senior year. This requirement may be completed in grade 8, however the units earned in grade 8 will not count toward the total units for graduation.
Physical Education	1	Marching Band may substitute for PE requirements.
Fine Arts	0.5	This requirement may be completed in grade 8, however the units earned in grade 8 will not count toward the total units for graduation
Foreign Language	2	Two consecutive foreign language credits (Spanish 1 and Spanish 2)
Electives	8	

***Students must complete 8 semesters of English, Math, Science, and Social Studies to be eligible for graduation.**

College Prep Diploma - 26 Total Credits

COURSE	UNIT CREDITS REQUIRED	REMARKS
English*	4	
Math*	4	Must include Geometry and Algebra II.
Science*	4	Must include a physical science, a biological science and 2 electives. These electives may be specific required courses.
Social Studies*	4	Must include World History, American History, Government and Economics.
Health	0.5	Health is required and offered in the 8 th grade or online during the senior year. This requirement may be completed in grade 8, however the units earned in grade 8 will not count toward the total units for graduation.
Physical Education	1	Marching Band may substitute for PE requirements.
Fine Arts	0.5	This requirement may be completed in grade 8, however the units earned in grade 8 will not count toward the total units for graduation.
Electives	8	

***Students must complete 8 semesters of English, math, science, and social studies to be eligible for graduation.**

Senior Honors

Lee-Scott Academy does not rank. Valedictorian, Salutatorian, and Honor Graduates are determined by Academic Average.

Valedictorian

The Valedictorian designation shall be awarded to the graduating senior that has been enrolled at Lee-Scott Academy for all four years of high school (9th-12th) and has the highest cumulative academic average in grades 9-12, while earning an Advanced College Preparatory Diploma.

Salutatorian

The Salutatorian designation shall be awarded to the graduating senior that has been enrolled at Lee-Scott Academy for all four years of high school (9th-12th) and has the second highest cumulative academic average in grades 9-12, while earning an Advanced College Preparatory Diploma.

Honor Graduates

Honor Graduates are seniors with a 90 or higher cumulative academic average (not rounded) and will graduate with the Advanced College Prep Diploma. Students awarded this distinction will receive the stole and gold tassel at graduation.

Awards

I. J. Scott Award

The I. J. Scott award is presented to the senior boy and girl who have earned the highest cumulative academic average and have participated in at least 2 sports for all 4 years at Lee-Scott Academy (grades 9-12). These seniors must have a 90 or above cumulative academic average (not rounded) in order to qualify.

Ben J. Kirk Award

The Ben J. Kirk award is the highest honor a student at Lee-Scott Academy can receive. It is awarded to the senior with the highest cumulative academic average for all four years of high school at Lee-scott Academy (grades 9-12); who has earned an Advanced College Preparatory Diploma and also has exhibited outstanding moral character. These are the qualities Mr. Kirk admired most in an individual.

Nancy P. McLeod Award

The Nancy P. McLeod award is given in memory and honor of Mrs. Nancy Plant McLeod, former elementary principal of Lee-Scott Academy. Mrs. McLeod was an accomplished musician and admired students who were devoted to the study of music. This honor is bestowed upon a senior who has attended Lee-Scott Academy from at least the 4th grade through his/her

senior year and has excelled in music. Recipients of this award have also exhibited leadership qualities while enrolled.

AISA Student-Athlete Award

The AISA Student-Athlete Award recognizes two senior boys and two senior girls. To be considered, students must be on track for an advanced diploma and must have played in two or more sports each year in grades 9-12 with a minimum of two years in AISA schools. Unweighted numerical average of all semester grades 9 through the first semester of Grade 12 will be added to the highest composite ACT/SAT.

AISA ALL-State Academic Team

This 25 member AISA ALL-State team is composed of students that have met the requirements for the Advanced High School diploma. The unweighted numerical average of all semester grades earned for grade 9 through the first semester of grade 12 will be added to the highest composite ACT or converted SAT score. The nominee must have earned all grades in traditional classes in the 9th grade through 12th grade.

Honor Societies

Currently Lee-Scott Academy recognizes 9 Honor Societies. Each inducted senior that is in good standing in their specific honor society will receive a cord to wear at graduation. A student must have been enrolled at least 1 semester prior to being eligible for induction in any society.

English Honor Society

- Enrolled at LSA for at least one semester
- Open to students in grades 11 and 12
- 3.75 Cumulative GPA and 3.75 English GPA
- 30+ English subscore on ACT
- Complete application and dues payment
- Additional criteria set in by-laws
- Dues \$20

Social Studies Honor Society “Rho Kappa”

- Open to students in grades 11 and 12
- 3.0 Cumulative GPA and 3.0 Social Studies GPA
- Completed/Enrolled in ALL AP courses offered at LSA (AP Euro, AP US, AP Econ)
- 90+ average in all AP Social Studies courses (before 10 point addition)
- Complete application and dues payment
- Additional criteria set in by-laws

- Dues

Math Honor Society “Mu Alpha Theta”

- Open to students in grades 11 and 12
- Completed Algebra 2 and Geometry
- 3.5 Math GPA
- 22+ Math subscore on ACT
- Complete application and dues payment (\$20 - covers member fee and cord)
- Additional criteria set in by-laws

Science Honor Society

- Open to students in grades 11 and 12
- 3.75 Cumulative GPA
- 4.0 Science GPA
- 23+ Science subscore on ACT
- Complete application and dues payment (\$20 - covers member fee and cord)
- Additional criteria set in by-laws

Sociedad Honoraria Hispánica “El Greco”

- Open to students in grades 10, 11, and 12
- Actively enrolled in Spanish 3 or higher
- 90%+ Cumulative GPA and 90%+ Spanish GPA
- Complete application and dues payment (\$15 - covers member fees and cord)
- Additional criteria set in by-laws

Thespian Honor Society

- Open to students in grades 6-12
- Earn a minimum of 10 Thespian points (earned on or off the stage through theatre program).
- Half of the points should be earned at LSA. Also, if inducted in Jr High Thespian Society, then 5 points will be carried over into Senior High.
- Continued involvement in the theatre program is expected.
- Complete application and dues payment:
 - Jr High- \$20
 - Sr High- \$30

Tri M Music Honor Society

- Open to students in grades 9-12
- Enrolled at LSA for at least one semester
- A average in Band/Choir, B in other academic subjects
- Participate in Band and/or Choir
- Participated in at least 2 honor bands/choirs and/or All-State
- Character must demonstrate respect, responsibility
- Additional criteria set in by-laws

National Junior Honor Society/National Honor Society

- Open to students in grades 7-12
- Enrolled at LSA for at least one semester
- Cumulative weighted GPA of 3.75+
- On track for Advanced Diploma
- Less than 3 conduct checks per semester
- No application necessary
- Dues Payment

Changing Schedules

Students will not be allowed to change schedules without permission from the Upper School Principal and/or Counselor. Before any teacher can add or drop a student from the roll, the student must have written permission from the office authorizing the change. Every attempt will be made to honor schedule requests with respect to elective choices. Schedule changes may not be honored if the class the student wishes to enter is at capacity. Priority will be given to those changes that are needed to meet graduation requirements. No schedules may be changed after the first (1st) week of school without special permission by the Upper School Principal and/or Counselor, and only in very unusual cases.

Textbooks

Faculty and administrative committees choose textbooks. The school provides textbooks and students pay a book fee to defray purchase and replacement costs. Students typically purchase consumable materials, which cannot be collected and used the following year. Students are responsible for all books issued to them and must pay full replacement cost for any lost or defaced books. A partial payment may be required for damaged books. Students should be aware that books dropped and thrown in backpacks could be damaged.

Extra Curricular Activities

Clubs and Organizations

Lee-Scott Academy has the following extracurricular organizations for its students:

Club/Organization	Grade
International Thespian Society	6-12
Art Club	7-8
Junior High Scholars Bowl	7-8
Junior High Science Olympiad	7-8
Math Team Club	7-8
National Junior Honor Society	7-8
Spanish Club	7-8
Technology Club	7-8
Junior High Student Government Assoc.	7-9
Cross Country	7-12
Design Club	7-12
Equestrian Club	7-12
Fellowship of Christian Athletes	7-12
Fishing Club	7-12
Young Life/WyldLife	7-12
Key Club	9-12
National Honor Society	9-12
Senior High Scholars Bowl	9-12
Senior High Science Olympiad	9-12
Robotics	9-12
Spanish Club	9-12
Tri M Music Honor Society	9-12
Anchor Club	10-12
Senior High Student Government Assoc.	10-12
Spanish Honor Society	10-12
Student Ministry Team	10-12
Mu Alpha Theta (Mathematics Honor Society)	11-12
National English Honor Society for High Schools	11-12
Rho Kappa National Social Studies Honor Society	11-12
Science National Honor Society	11-12

Sponsors may choose to restrict or include participation to grades other than those listed. Membership in these clubs and organizations is subject to each club's individual bylaws and constitution or approval of the sponsor and administration. The school office will keep all funds for clubs and organizations, and requests for withdrawal of funds must be presented in writing to the office. All use of club funds is subject to the approval of the administration and sponsor.

All activities of school organizations are subject to the approval of the administration, and should be submitted through the sponsor no less than one (1) week prior to the proposed date.

Band

The Lee-Scott band program is divided into two divisions for student participation. The Marching Band, Concert Band, and Jazz Band are for Upper School band students. The elementary band is for Lower School band students. The band, including auxiliaries, is operated under the direction of the band director. Auxiliaries of the band include majorettes and dance team. Marching band will have one week of band camp in the summer (late July) and will practice after school twice a week for one hour after school during marching season.

Athletics

Lee-Scott's athletic program is the responsibility of and is operated under the direction of the Head of School, Upper School Principal, and Athletic Director.

TEAMS/COMPETITION	GRADE
Varsity Cheerleaders	10-12
Jr. Varsity Cheerleaders	7-9
Varsity Football	9-12
Jr. High Football	7-9
Varsity Volleyball	10-12
Jr. Varsity Volleyball	7-9
Jr. Varsity and Varsity Boys Basketball	7-12
Jr. Varsity and Varsity Girls	7-12

Basketball	
Jr. Varsity and Varsity Baseball	7-12
Jr. Varsity and Varsity Softball	7-12
Tennis	7-12
Golf	7-12
Track	7-12
Soccer	7-12

The grades listed for each sport represent grades included in previous years. Coaches may choose to restrict or include participation on certain athletic teams to certain grades. This decision will be made jointly with the Athletic Director, Upper School Principal and Head of School and may vary from year to year. Tryouts may be required for participation in these activities. When new sports are added, grade levels will be determined each year and may vary from those above.

ATTENDANCE

Attendance Overview

Accrediting agencies require a student to attend a prescribed minimum number of days during the academic year if he/she is to receive credit for his/her work. Curriculum can be perfect and the instruction impeccable, but effectiveness is lessened when students are not at school. Students are encouraged to attend school every day of the year. Parents are asked to encourage perfect attendance.

Absence Policies

Regular attendance is required. Absences deny the student instruction, can be disruptive to other students, and make it more difficult for the teacher to meet the needs of all students. Absences will be recorded and documented for each class and may be viewed in PowerSchool. A student is considered absent from a class if he/she misses more than half of the class. This requirement may be waived in the event of serious illness, accident, or other verifiable circumstances at the discretion of the Upper School Principal or Head of School. Absences for school activities do not count toward the absence total listed above. Those students who have missed an excessive number of days forfeit the opportunity to exempt exams.

Absences from Class for School-Sponsored Events

If a student misses a class because of participation in a school-sponsored event, the day the student returns he/she may be responsible for any work or test that had been assigned for the class missed. There may be exceptions if prior arrangements are made with the teacher.

Absences - Extracurricular Activities

The student shall attend a minimum of one-half day (3 periods) at school to be eligible to participate in an extracurricular activity on that day. The student will not be excused from class for extracurricular activities unless prior arrangements have been made with the Head of School or Upper School Principal.

Excused Absences

The only absences that will be excused are as follows:

- illness of student
- death in family
- informed absence
- inclement weather
- doctor or dentist appointments (with a signed and dated note, email or phone call from parents for a student to check out and, upon return).

Students having an excused absence are required to make up the missed work. This may not be the same work or tests completed by other students. **A student will have one day for every day absent to complete make-up work unless prior arrangements are made with the teacher or in consultation with the Upper School Principal.**

The excuse MUST be turned in within 7 days of absence or it becomes an unexcused absence and will not be changed.

ABSENCES DUE TO ILLNESS OF STUDENT: Students will be allowed a maximum of five (5) excuses per semester originating from the parent/guardian without a doctor-issued excuse. The only acceptable forms of excuses are hand-written or typed and signed by the parent, or an email originating from a parent/guardian email account. All subsequent absences will be considered unexcused and subject to the Unexcused Absences policy.

INFORMED ABSENCE: This excused absence is for situations when the student/parent has prior knowledge of an absence. In order for this type of absence to be excused, the parent must email the Upper School Principal at least one (1) day prior to the absence.

Unexcused Absences

Unexcused absences may include but not be limited to

- failure to get administration's approval
- errand for parents or students
- absence from class to conform to dress code
- going home to get forgotten item(s)

Unexcused absences will result in a zero (0) for classwork missed.

Checking Out/In

Students will only be allowed to check out with permission from a parent/guardian or those recorded with the school as an emergency contact. This permission can be written or received over the phone or by email to office staff. **Lee-Scott Academy asks parents to help us encourage attendance by not granting this permission unless it is an emergency or absolutely necessary.** The Head of School or Upper School Principal must grant any exceptions to this policy. If a student attends a school-sponsored event (not as a participant) he/she is expected to check in at the event with a designated Lee-Scott employee, and is expected to attend the entire event that day in which Lee-Scott is participating.

Students must check in through the Upper School office. The office staff must receive a written excuse, email or phone call from the parent/guardian and will then give the student a slip admitting them to class.

Tardiness

A student is considered tardy if not in the classroom when the tardy bell rings for each class. The teacher will record the tardy and the student will report to the office to receive a tardy slip. Tardies in excess of half the regular period are considered absences. Absences of this nature from class will be considered skipping class. (See Conduct Checks.) Students are required to get a tardy slip from the Upper School office **each time** they are tardy. Following are the consequences for tardies to class:

- First tardy – warning
- Second tardy – warning
- Third tardy – One (1) conduct check
- Each subsequent tardy may result in an additional conduct check

Note: Tardies resulting in conduct checks could affect exam exemption in ALL classes and not just the class to which the student is tardy. The tardy count will be reset at the beginning of the second semester.

Make-Up Work

Students will be allowed to make up work for all excused absences. IT IS THE RESPONSIBILITY OF THE STUDENT TO ARRANGE FOR THE WORK TO BE MADE UP AT THE TEACHER'S CONVENIENCE. Students may be responsible for tests or projects that were assigned prior to their absence on the day they return to school. Students should make every effort to check with classmates to secure assignments, notes, etc. Students can also access missed work by emailing the teacher. Make-up work should be completed as quickly as possible. The rule is that the student will be allowed the same number of days to make-up his/her work as the number of days absent. Students should always communicate with their teachers to be aware of assignments and/or assessments in the event of an absence.

CONDUCT AND DISCIPLINE

According to the Mission statement and philosophy of Lee-Scott Academy, we are a college preparatory school committed to excellence in our total program. We also claim an environment designed to nurture the Christian/Biblical growth of balanced, responsible, and dedicated young people. In order to achieve these objectives, the faculty and staff are committed to establishing meaningful standards for conduct and behavior. We believe these standards have a role in advancing the development of a level of responsibility necessary for college success. Students are responsible for their compliance with school standards or for the consequences of their misconduct.

Honor Code

Philosophy

Personal honor and integrity are essential to a quality education and a healthy academic environment. In our goal to help develop the student's character and intellect, we strive to teach by example and policy the importance of truth and trust in all life. Thus, every member of the Lee-Scott family should respect and support the philosophy and guidelines of the honor code, in order to maintain the sense of personal honor and integrity in the LSA community.

Guidelines

While no student can be another's conscience, he or she can go on record as creating honesty in all relationships. In accordance with the Philosophy stated above, Lee-Scott Academy sets forth the following code of honor.

1. Lying

A person lying or purposely misrepresenting the truth violates the Honor Code. Forging the signature of any person is a violation. Violations of this policy will result in disciplinary action as warranted by the offense.

2. Stealing

A person taking another's property without permission violates the Honor Code. Suspension and/or expulsion will result from violations of this policy.

3. Academic Dishonesty

Academic dishonesty is defined as knowingly giving or receiving information or assistance on any graded work, which is understood to be an example of individual effort.

Academic dishonesty includes, but is not limited to, the following:

- Copying, or allowing another student to copy homework, vocabulary lessons, worksheets, essays, research papers, test answers, or lab reports that will be graded. (Teachers may give permission to work cooperatively on some assignments.)
- Having in your immediate possession materials which could be of unauthorized assistance during testing. It is the student's responsibility to remove all such materials from around him during a test.
- Having material written on skin or clothing which is considered to be of assistance in completing a graded assignment.
- Plagiarism is the representation of another's ideas or words as one's own and is a form of academic dishonesty. Rules concerning plagiarism are explained in each course.
- The use of calculators or electronic devices to procure answers during an examination or quiz. (Teachers may specifically give permission to use these items for some assignments.)

All tests, quizzes, and examinations should be pledged. A teacher at his/her discretion, may choose to make other assignments subject to the pledge.

Each teacher will establish rules concerning homework in his or her class and will make these rules/procedures accessible to students.

The following policy will be in effect upon reporting of incidents of academic dishonesty:

- First Offense

The student who violates the academic dishonesty policy will receive a grade of zero for the graded work involved. The incident will be documented and kept on file in the office. Parents will be notified. If appropriate, conduct checks will be issued at the discretion of the Upper School Principal.

- Subsequent Offenses

The student who violates the academic dishonesty policy more than once will receive the same punishment as above with added disciplinary action as warranted by the infraction. Suspension and/or expulsion are possible punishments for such offenses.

Sample pledge to be signed on all tests:

"On my honor, I have neither given nor received unauthorized aid on this test."

Student's Signature

Sample pledge to be signed on other assignments:

"On this assignment, I have not violated any of the provisions of the Lee-Scott Academy Honor Code."

Student's Signature

Conduct at Assemblies

Periodic assemblies will be held for various reasons. Student behavior during assemblies is a reflection of character.

1. Enter the assembly in a quiet and orderly manner and remain this way for the entire assembly.
2. Show respect to the speaker or entertainer who is presenting the program.
3. Applaud in a cultured manner, never boo, whistle or stamp your feet, regardless of your opinion on the program.
4. Cell phones should not be visible during an assembly.

The Upper School Principal will deal with violations of these assembly rules.

Conduct At School-Sponsored Events

Students should remember that conduct at school-sponsored events will follow the same rules and regulations that are applied during the regular school day. Parents are also urged to conduct themselves in a mature manner at school-sponsored events. Parent behavior may result in dismissal from the team, group, club or school.

Students shall only be in areas where there are adult sponsors. **Parents should be responsible for supervision of their children not participating in the event.**

Occasional field trips off-campus are considered a privilege and should be treated respectfully.

Much can be learned from these trips if students follow an acceptable standard for their conduct. Students should remember that they are representing Lee-Scott Academy and their families when they leave our campus.

Coaches will be held responsible for supervising the conduct of athletes on or off the field or court, or traveling back and forth to the place of the activity. School sponsors will also be responsible in the same way for school squads or club members at activities. A student who is not a member of the club may not be present at the club's conventions, trips, or activities without prior approval from the Upper School Principal or Head of School.

Conduct at LSA Social Events

Students are to remain in the building except when chaperones grant permission. Once a student leaves he/she is not allowed to re-enter the event. Leaving the campus to return later will be allowed only under extreme need by permission of the chaperones. Sitting in parked cars is not permitted.

Care Of School Property

Lee-Scott Academy's campus is beautiful. Students are expected to help maintain it. Always demonstrate pride in your school. Our buildings and fixtures are provided at great expense to the parents and friends of Lee-Scott Academy. Students will refrain from defacing or destroying school property. Help the janitorial staff by placing all paper and trash in containers arranged for this purpose. Any student who causes damage to the school property or the property of another student, either intentionally or through neglect on his part, will be financially liable for such damages and face disciplinary action.

Selling Materials On School Grounds

It is against school policy for any individual or group to sell or distribute any goods on school grounds, or use the school's name to raise funds, unless prior permission has been obtained from the Head of School or Upper School Principal. Persons in violation of this policy are subject to disciplinary action that may include suspension.

Cell Phone Policy Cell phones should be used at a minimum during the school day. Students should follow specific classroom procedures regarding cell phones in class. Phones should not be visible unless permission has been given by the teacher for a specific task. No student should use a cell phone to video, photograph or record another student or teacher.

Conduct Check System

The following is a system that not only provides progressive punishment for misbehavior, but also provides meaningful incentive for positive behavior.

Conduct checks will accumulate as earned. Conduct checks for students in grades 7-12 will accumulate for the year.

CATEGORY A - ONE CONDUCT CHECK

1. Unexcused tardy to class (After two (2) warnings each semester)
2. Continuous disruptions in the classroom (this would include excessive talking, passing/writing notes, out of seat without permission, not following directions, etc.)
3. Inappropriate behavior in halls, classroom or restrooms (running, loudness, horseplay, etc.)
4. Failure to bring required supplies to class.
5. Littering on campus.
6. Inappropriate behavior in the lunchroom. Violations will also result in cleaning of the lunchroom area.
7. Being in the gym area without permission or during inappropriate times (i.e. during break, lunch, or class time).
8. Dress Code violations
9. Cell phone violations
10. Being assigned break detention (after 5th time, per semester)
11. Using electronic devices to share pictures or to message students without teacher's permission.
12. Inappropriate displays of affection

CATEGORY B - TWO CONDUCT CHECKS

1. Misuse of a pass.
2. Failure to complete teacher/staff punishment within specified time.
3. Continuous disruptions in the classroom after having received previous consecutive warnings and consequences

CATEGORY C - THREE CONDUCT CHECKS

1. Inappropriate, affectionate behavior on campus (personal displays of affection).
2. Behavior disruptive or detrimental to the educational process. (This could include repeated minor offenses.)
3. Offensive or disrespectful behavior toward fellow students.
4. Use of profanity or obscene gestures.
5. Using cell phones or other electronic devices to video, record or photograph another person after previous violations

CATEGORY D - FIVE OR MORE CONDUCT CHECKS

1. Violations of the Honor Code. In addition to possible conduct checks assigned for cheating or plagiarism, these students will also receive a zero on the work in progress.
2. Insubordinate, argumentative, or disrespectful behavior to a member of the faculty or staff.
3. Repeated electronic devices violations.

CATEGORY E - (UPPER SCHOOL PRINCIPAL'S DISCRETION)

1. Defacing/destruction of school facilities or property.
2. Theft.
3. Possession, use, sale, and/or being under the influence of drugs or alcohol on campus or off-campus at a school event.
4. Fighting.
5. Possession of a weapon or item intended to be used as one.
6. Possession or use of tobacco on campus or off-campus at a school event.
7. Possession, use, sale and/or distribution of electronic smoking devices and inhalants including all vaping, juuls, and e-cigarettes on campus or off-campus at a school event.
8. Intimidation, bullying or harassment of another student.
9. Leaving or being absent from campus without permission.
10. Skipping class.
11. Motor vehicle violations (speeding, being in parking lot without a pass, etc.). Repeat violations will result in the loss of driving privileges on campus. Reckless driving on campus will result in stronger penalties.

We cannot anticipate and specify every situation that might occur. Every effort will be made to use sound judgment based on established policy, and to assure that punishments administered are appropriate and fair. Chronic violators will be dealt with more severely.

Students may be referred for conduct checks by any member of the faculty or staff, at any on campus or off-campus school event. The upper school principal, according to the policy stated above, will determine the number of conduct checks. Conduct checks are cumulative over the course of the entire year for 7th – 12th graders, however, for the sake of exam exemptions, they will only be considered within the current semester.

Consequences

Listed below are actions that will be taken when a student has received the number of checks listed. Copies of conduct checks received by each student will be sent home as needed. Each student's conduct check total is available from the Upper School Principal.

1. **One-Four Conduct Checks** – Notification of parents, principal conference with student, punishment included but not limited to break detention or principal discretion. May possibly impact exam exemption.
2. **Five – Nine Conduct Checks** – Notification of parents; three days of break detention; loss of exam exemption privilege.
3. **Ten – Fourteen Conduct Checks** – Mandatory parent conference; one (1) day of Out-of-school suspension (**zeros for missed work**); break detention for two weeks.
4. **Fifteen – Nineteen Conduct Checks** – Mandatory parent conference; two (2) days of Out-of-school suspension (**zeros for missed work**); break detention for four weeks.
5. **Twenty – Twenty-four Conduct Checks** - Mandatory parent conference; 3 days of Out-of-school suspension (**zeros for missed work**); Break detention for remainder of

current semester.

6. **Twenty-Five or more Conduct Checks** - Out of school suspension, number of days to be determined (**zeros for missed work**).

Any student who accumulates twenty-five conduct checks will have his/her standing at Lee-Scott Academy reviewed by the Upper School Principal and Head of School for possible expulsion. A Student Review Team may be convened to discuss the future of students at LSA. Certain disciplinary offenses, as well as students with consistent discipline problems may face consequences more severe than those above, including expulsion.

Types of Discipline

General Comments

Discipline is essential for learning in any classroom and proper functioning at any school activity. School personnel and students alike will benefit from the order and structure provided by a well-disciplined school.

Removal from Class

Any student who exhibits behavior inconsistent with the expectations of his/her individual teachers, may be temporarily removed from class by that teacher. The student may not be allowed to make-up work missed during that class. Appropriate conduct checks will be issued and further disciplinary action may be taken.

*Note: Students who are removed from class may have an absence recorded if they miss over half the class.

Break Detention

Students assigned break detention should report promptly to the designated room at the end of 2nd period. These students should arrange to eat breakfast before school since they will not be allowed to eat during break or purchase food from the cafeteria. Students will be dismissed in time for their 3rd period class.

In-School Suspension

This disciplinary measure provides an opportunity for a student to demonstrate that an indefinite suspension or expulsion will not be required.

Students will be removed from the regular classroom for the prescribed period and monitored by an administrator. Students will be expected to complete all assignments while in In-School Suspension.

Out of School Suspension and Expulsion

No student has the right or privilege to interfere with another student's right to learn or a faculty member's responsibility to teach. It is expected that every student will observe a personal code of conduct that will in no way interfere with the educational process. The Head of School or Upper School Principal may suspend any student violating school rules and policies. The suspension may be for a definite period of time or indefinite if, in the judgment of the administration, the offense warrants. The student will receive "zeros" on all work. **Any offense warranting suspension will negate any exam exemption for that semester.**

In the event that a student has earned in excess of 25 conduct checks or participates in a behavior that warrants consideration of expulsion, the decision will be made by the administrative team (Head of School, Principal, guidance counselors, and possibly other school employees involved in the event as necessary). See the CONSEQUENCES section above.

Electronic Devices Policy

Lee-Scott Academy understands that cell phones are essential in today's world. There are valid uses of cell phones for educational and personal purposes. However, students will be expected to adhere to their individual teacher's classroom policy and to the LSA Responsible Use Policy (this applies to all electronic devices). Violations of either of these policies may result in the cell phone being taken up. Inappropriate use would be, but not limited to, the following:

- Using social media during class time (including Physical Education) unless directed by a teacher for class purposes
- Making or receiving phone calls during class time or in the hallways between class without the teacher or administrator permission
- Recording or taking pictures in classroom without staff permission
- Using earphones in the classroom or hallway unless specifically permitted by the teacher
- Using cell phone after being instructed not to or using in a manner not consistent with LSA Responsible Use Policy

• **First offense:** First time violations of this policy will result in the device being taken-up by the teacher and returned at the end of 7th period (to the student). This may be handled through the office if a teacher is not available at the end of 7th period.

• **Second offense:** Students who are found in violation a second time will have their telephones turned into the office, and will receive a conduct check. The telephone will be kept in a safe location and returned to the parent at their earliest convenience.

• **Any subsequent violations** will result in confiscation of the telephone, returned to the parent, and 5 conduct checks will be assigned.

*Any use of cell phones that results in academic dishonesty will be dealt with under that policy.

Inappropriate use of other technology will be addressed through the LSA Responsible Use Policy.

Lower School Building And Playground

Students in grades 7-12 shall not go on to the Lower School playground. Students in grades 7-12 shall not go to the Lower School building without permission.

RESPONSIBLE USE POLICY

The Responsible Use Policy for all students attending Lee-Scott Academy may be found by following the link provided. All students enrolled should have a signed copy on file and are expected to follow all guidelines.

<https://www.lee-scott.org/wp-content/uploads/2020/12/rup.pdf>

DRESS CODE

Lee-Scott's Dress Code is to ensure that students dress modestly and do not draw undue attention and to encourage a dignity appropriate for the learning environment. The dress code is consistent with the School's mission statement and values. The School Board and Administration encourage parents and students to view the Dress Code as creating the proper school environment.

Policy Statement

Students must always be neatly, modestly and appropriately dressed. Suggestions concerning the dress code may be addressed to the Upper School Principal. The School Board will review and evaluate the dress code as needed. When a student is observed by a teacher or administrator to be in violation of the following code, the student will be required to make the needed alterations. If it is impossible for the change to be made, he or she will be held out of class as necessary. The student's absence will be considered unexcused and will result in zeros for any graded work in the classes missed.

Since this normally works a greater hardship on the parents or guardian than the students, parents are urged to supervise their child's dress on a daily basis. The student is responsible for proper dress consistent with the spirit and the word of the dress code.

As our policy reflects the philosophy of Lee-Scott, we ask parents to dress appropriately and with respect to the spirit of the dress code when on campus and/or attending a school function. This will communicate a unified philosophy to our students.

While athletic attire is not allowed during school hours except in designated classes, it is

appropriate for after school during athletic practices/games. Appropriate attire, consistent with the spirit and intent of our dress code, will be allowed on LSA game days at the discretion of the coach with approval from the LSA administration.

School field trips should be considered the same as regular school days unless otherwise determined by the individual instructor and principal.

Boys' Dress Code

<u>Permissible</u>	<u>Not Allowed</u>
<p><u>PANTS</u></p> <ul style="list-style-type: none"> -Dress slacks, khakis, jeans, shorts -All pants must remain around the waist. -Joggers that fit appropriately, cuffed at the ankle are allowed at the Principal's discretion.. 	<p><u>PANTS</u></p> <ul style="list-style-type: none"> -Camouflage – except theme days Athletic gym shorts -Sweat pants – except team issued on game days -Excessively frayed or ragged jeans (inappropriately showing underwear or skin) -Pants worn below the waist
<p><u>SHIRTS</u></p> <ul style="list-style-type: none"> - Shirts with collars - T-shirts (LSA logo encouraged), jackets, sweaters, sweatshirts - Shirts with buttons should be appropriately buttoned - Appropriately sized (Principal’s discretion) T-shirts 	<p><u>SHIRTS</u></p> <ul style="list-style-type: none"> - No ripped or "ragged" shirts -Undershirts -Tank tops - T-shirts with vulgar language or advertisements for alcoholic beverages, drugs, tobacco, violence, etc.
<p><u>SHOES</u></p> <ul style="list-style-type: none"> - Must be worn 	<p><u>SHOES</u></p>
<p><u>GROOMING</u></p> <ul style="list-style-type: none"> -Masculine haircut not completely 	<p><u>GROOMING</u></p> <ul style="list-style-type: none"> - Hair below the collar or eyebrows

covering ears or obscuring vision. - Clean-shaven	<ul style="list-style-type: none"> - Excessively bushy hair (administrator’s discretion) - No irregular haircuts (“man-buns” pony-tails, Mohawks, designs cut, unnatural color, etc. – administrator’s discretion) - Facial hair - Earrings
<u>MARKINGS</u>	<u>MARKINGS</u> <ul style="list-style-type: none"> - Visible tattoos - Body piercing

SAFE SCHOOLS

Visitors

Visitors, parents, and others interested in the school are always welcome on the Lee-Scott Academy campus. All visitors should come to the school office before visiting any classroom during the school day. Students from other schools are not allowed on campus during the school day without permission from the office. Visitors will be asked to sign in and may be asked to provide a picture ID.

Emergency Procedures

Severe Weather Drills

Lee-Scott has a Civil Defense warning device (radio) to notify the school of possible severe weather. Teachers have designated safe locations to take students away from all outside walls. Upon notification of a tornado warning, teachers will take students to these locations and take proper precautions.

Information For Closing School In The Event Of Severe Weather

Occasionally, it becomes necessary to close school early for inclement weather. This decision is made after consulting with agencies such as Lee County Emergency Management, the Police Departments, State Trooper Office and other weather officials. Schools are sometimes requested to close early to prevent traffic problems caused by blocked streets, slick road surfaces, or congestion.

School will be dismissed only at the request of the proper authorities. Should it become necessary for school to be dismissed, the local radio and television stations are immediately contacted and asked to begin making announcements. This information will also be posted on the school website and social media. A sufficient number of school employees will remain on duty at the school to provide supervision of students until all are safely departed. There are certain things that you, as a parent or guardian, are requested to do. These include:

1. Please instruct your child as to what he/she should do if school closes early.
2. If no one is likely to be at home, be sure your child knows where he/she should go; to a neighbor's house, to a relative, etc.
3. Please make arrangements to have your child picked up immediately if school closes early.
 - Children can get quite upset if they have to remain at school for several hours with no contact with parents. Also, traffic conditions usually become

worse during the day.

4. Do not depend on a telephone call to the school to give instructions when school closes early. The school's telephone lines are flooded with calls, and it is very difficult to get a call through. Be prepared in advance.
5. If weather conditions at home are such that you feel it necessary to pick up your child early, please come directly to the school and notify the office before going to your child's room. It is difficult for the office staff to deliver messages to students during severe weather.

In the event school will not be in session due to the weather conditions, local media will be notified by 7:00 AM. This information will also be posted on the website and social media.

Fire Drill Instructions

1. The signal for the fire drill is the sounding of the fire alarm.
2. Students will leave the room in a quiet and orderly manner and will remain in line throughout the drill.
3. Students not in regular classes will leave the building in an orderly manner.
4. No students should return to the building for any reason until the all-clear signal or an announcement is given.
5. The signal or announcement for all-clear at the end of the drill will be given over the intercom.
6. Fire Drill information for each room is located near the door on the inside of the room. Teachers and students should be familiar with these directions.
7. Fire Drills will be held at least once per month.
8. Students guilty of playing with fire extinguishers or fire alarms will face possible suspension.

Student Searches

The administration reserves the right to search any student, locker, book bag, purse, desk, or automobile based upon reasonable grounds for believing that something contrary to school rules or detrimental to the student or others is present. Upon discovery of an apparent drug and/or weapon, the parents will be notified, the proper authorities contacted, and the material confiscated as evidence.

Every situation that may arise cannot possibly be anticipated and provided for in this handbook. The administration will deal with these problems by applying the same fair and consistent rules as stated in this handbook.

Automobiles

Students should remember that driving cars on our campus is a privilege. Students driving automobiles to school must have a valid driver's license. Drivers must observe all safety rules. Any deviation from these rules could result in a student losing his or her privilege to bring an automobile on campus. Students are not to be in their automobiles at any time during the school day without permission of a staff member.

Students who drive to school may park in the area in front of, or adjacent to the Upper School building. **Park only in marked spaces.** Vehicles may not be parked on grass or along the drive at any time. **Speeding, reckless driving, etc., in the parking lot or leaving campus will result in a student losing his/her automobile privileges. Any member of the faculty or staff may make judgments on improper speed and/or driving.**

Prohibited Items

A student will not have personal possession of and/or store (locker or motor vehicle) on campus or at school-sponsored activities the following items:

1. Alcoholic beverages and/or unopened, partially empty, or empty alcoholic beverage containers. Also, being under the influence of alcohol at school or school-sponsored events is prohibited.
2. Tobacco products, manufactured, or homemade, and related items such as lighters, matches, pipes and containers, e-cigarettes, juuls.
3. Any illegal drug or item for drug use. Also, being under the influence of any substance or illegal drug at school or school-sponsored events is prohibited. Drug dogs and local authorities will make periodic searches of the facilities. Please also see Drug Policy.
4. Any type of weapon or instrument to be used as a weapon. These include but are not limited to firearms, knives, razor blades, utility knives, or ammunition.

Harassment/Discrimination Policy

Lee-Scott Academy will not tolerate discrimination against or harassment of its students or employees. Any form of discrimination against or harassment related to a student's or employee's race, color, sex, religion, national origin, or age is a violation of this policy, and will be treated as a disciplinary matter. This policy is intended to cover any harassment or discrimination against a student or employee by other students, or employees on or off the Lee-Scott Academy property or while engaged in Academy-sponsored activities. Appropriate action may also be taken against non-Academy personnel or students who violated this policy, including formal complaints to their employer or school and/or restricting access to Academy property.

Harassment must be so severe or pervasive that it objectively creates a hostile, intimidating, or offensive environment. The recipient of a complaint should inform the complainant of this policy and refer the complainant to the Upper School Principal and/or the Lower School Principal.

These two administrators will investigate the incident, consult with other appropriate Academy officials if necessary, and will resolve the complaint, if possible. It is the intention of the Academy to resolve complaints as quickly as possible, usually within forty-five class days of receipt.

The investigation record will consist of informal statements (not taken under an oath) from the alleged victim(s), the alleged offender(s) and witnesses. If the results of the preliminary Academy investigation done jointly by the Upper School and Lower School Principals or other persons designated by the Head of School are accepted by the alleged victim(s) as conclusive and no further action is requested, he/she will sign a statement requesting the Academy take no further action. (In case of a minor, the parent or guardian will sign the statement).

The Academy will attempt to handle complaints confidentially on a need to know basis with a view toward protecting the complaining party from possible reprisal and protecting the accused from irresponsible or mistaken complaints. False allegations or charges are discouraged and may subject the complainer(s) to disciplinary action.

If the complaint is not resolved conclusively by the Principal, or designated persons, the matter will be referred to the Head of School or his/her appointed alternative for final action on behalf of the Academy. If disciplinary action is warranted, the Head of School or his/her appointed alternative will implement such action.

The Academy is a College Preparatory Institution and is bound by its Mission Statement and Policies. The Academy is not subject to IDEA (Individuals with Disabilities Education Act) or FAPE (Free Appropriate Public Education).

CAFETERIA SERVICES

The present food program dispenses hot meals, a la carte items and salads to students who choose to buy them.

Upper School students may eat in the cafeteria, gym lobby, or designated outside areas.

1. Students will conduct themselves in a quiet and orderly manner.
2. Students will clean their tables and put all trash in the waste cans.
3. Students are not allowed to leave the campus or sit in cars during lunch (the senior privilege of leaving campus on Wednesdays is an exception).
4. Students are not allowed to take food or drink into classrooms or into the gym. Teachers meeting with students during break or lunch may make an exception.

Violations of these rules will be handled according to the student conduct policies. (See also Conduct Checks.)

HEALTH SERVICES

Medicine Dispensing Procedures

Lee-Scott Academy will make it available to students and parents of students or designee to issue prescription or non-prescription medicines to students. This designee will be the school nurse. Parents of the student are responsible for getting the medicine and specific instructions for administering to the school nurse.

DRUG TESTING PROGRAM

Purpose

Lee-Scott Academy is a college preparatory school where students are to be challenged with Christian principles that promote the development of the total person. Substance abuse interferes with that development by its physical and emotional effect on the individual and its possible effect on those around him. We strive to promote and maintain a learning atmosphere that is drug free. It is our desire to cultivate leadership from Lee-Scott students and staff in the community as well as on campus. The goal of this policy is not to humiliate or be punitive, rather as a prevention incentive and/or an aid in early intervention should the presence of drugs be detected.

All students, faculty, and staff must participate in this drug program if they are to be admitted, hired or remain at Lee- Scott.

Drug Testing Program Procedures

Student Drug Testing

The program advocates universal drug testing of all students in grades 9-12. The testing schedule will be as follows:

1. Initial testing - every student in grades 9-12 will be tested at the beginning of the school year. Testing will be conducted during the first 4 weeks of school.
2. Random - students will then be randomly selected (using a random number generator) throughout the school year to achieve a goal of 25% of the grades 9-12 student body by the end of the school year.
3. Follow-up testing / suspicion - any student testing positive will be tested at 90-120 day intervals at the parent's expense. This may be in addition to those required by outside counseling agencies to which the individual is referred. Also, any student in grades 9-12 who is suspected by the Head of School or Upper School Principal of drug use may be tested.

Testing Method

Hair analysis has been selected as the method of testing. A licensed clinical laboratory, Psychemedics, Inc., will perform the analysis of all hair samples. Psychemedics, Inc. uses a patented sensitive technology (radioimmunoassay) to screen hair specimens. All samples that are positively identified through the screening analysis are then confirmed through Gas Chromatography / Mass Spectrometry. Each hair sample will be analyzed for 6 drugs: cocaine, opiates, marijuana, PCP, methamphetamines, and ecstasy.

The major advantage of hair testing over urine testing is that it greatly expands the detection period following use of an illicit drug. Every 1/2 inch of hair represents approximately 30 days of drug use history. A standard hair analysis will provide detection for the 90 days prior to the hair collection. Hair specimens are also more difficult to adulterate than urine specimens. Collection of hair is less intrusive and embarrassing than urine.

Hair Collection Procedures

1. The student, employee and / or board member will be assigned a unique identification number. Trained staff and / or Psychemedics personnel will perform the hair collections using full chain-of-custody procedures. The Head of School and Upper School Principal will be the only persons privy to these identification numbers. These numbers will be entered on the hair collection kit and will protect the identity of the individual being tested.
2. A sample of hair (approximately 60 strands) is cosmetically cut at the scalp from the crown of the person's head. Persons with insufficient head hair will have body hair collected, such as arm, leg, or underarm hair. The sample will be sealed by the designated Lee-Scott employee collector and initiated by the tested person under full chain-of-custody procedures to ensure the correct identification of the hair sample and results. The sample will be mailed to the Psychemedics, Inc. laboratory. Results will be returned to the school via secured, confidential facsimile or email. Appropriate action will be taken if the student or employee deliberately tries to avoid this collection process. This could be considered failing to participate in this required program.

Contesting A Positive Result

All positive results are confirmed using a highly reliable confirmation technology called Gas Chromatography/Mass Spectrometry. This prevents false positives resulting from other drugs or substances that are ingested. If, however, a person testing positive wishes to contest the result, he may do so, in writing to the Head of School or Upper School Principal, within 10 days of notification. The retest will be at his/her own expense.

Confidentiality And Dissemination Of Results

1. All hair collections and results will be identified by the unique individually coded number. No names are recorded on the collection bag or on the test results.
2. Test results of students will be confidentially provided by Psychemedics Corporation to the Head of School and Upper School Principal. The school will inform the student, parent / guardian within 15 days of receipt of a positive result.
3. All tests of employees / board will remain strictly confidential between the tested person and the Lee-Scott Academy Head of School and Upper School Principal, and the confidential counseling program.
4. No test results of students will be disclosed to any person or agency beyond the persons identified above (#2) without signed written consent by the parents. Release of test results of students will be requested by the Head of School or Upper School Principal for purposes of referral for professional evaluation and possible treatment recommendations.
5. No test results of employees will be disclosed to any person or agency beyond the persons identified above (#3) without the signed written consent of the employee for purposes of seeking professional evaluation and possible treatment.

Consequences Of Positive Results

1. School personnel will not initiate criminal charges or other legal action against the student or employee based solely on a positive drug test. (This provision should not be confused with possession of or being under the influence of drugs or alcohol on campus or at school sponsored events. Violation of these provisions will be dealt with as very serious offenses that may involve expulsion, termination and legal action.)
2. The Lee-Scott Head of School and Upper School Principal will refer the student who tests positive the first time, without a valid prescription, for a substance abuse evaluation through a licensed Counselor or community agency acceptable to Lee-Scott Academy. This evaluation should take place within 10 days of notification of a positive test. This Counselor or agency will provide recommendations to the family on the type of additional services that are required for successful completion of the program. The student and parents / guardians must seek this evaluation and follow all recommendations. All costs for this will be the responsibility of the parents / guardians. Lee-Scott Academy must be provided a copy of the agency's evaluation and recommendations within 30 days of treatment. If a student or parent / guardian refuses to follow the conditions of this policy, the student will be dismissed from Lee-Scott Academy at that time.

3. Students who test positive more than one time during their enrollment at Lee-Scott Academy will be permanently dismissed from school. Students will be allowed to verify medications that they are taking which may have been prescribed and may explain test results. Lee-Scott will consult with a medical review officer for verification of medical issues. The Lee-Scott Head of School and Upper School Principal will choose this medical review officer. If confirmation of a valid prescription for medication is provided, this positive test result will not be considered a violation of the Lee-Scott Academy drug policy.

A Counselor or community agency may provide assessments and referrals for further assistance and treatment to any student or employee who tests positive. Referrals/recommendations will be made with consideration for the economic resources of the family. Parents may choose to seek independent resources to provide an assessment of their child's history and current involvement in alcohol or other drug use. Lee-Scott must approve the program and progress reports must be submitted to the school on a regular basis in order to determine that the student is making progress in an assistance program. The counselor/agency may provide assessments and referrals for further assistance and treatment to any student who tests positive without a valid prescription.

Students or employees may undergo other drug tests outside of Lee-Scott Academy (at the request of parents, employers, etc.). Results of these tests will not be considered when administering this policy.

Self-Referral

Any student, employee, or board member who, before being notified that he or she is to be tested, by his or her own free will admits to the Lee-Scott Academy Head of School or Upper School Principal that he or she has a drug problem will be required to attend an assessment interview and abide by the suggestions of the Counselor or agency. This will not count as a first time failure under this policy.

Athletic Policy

All athletes in grades 7-12 may be drug tested at any time at the direction of the Head of School or Upper School Principal. In the event of a positive drug test without a valid prescription, the student-athlete will immediately be suspended from all in-season games and practices. The student-athlete may return to practice once he/she has written permission to do so by a physician. Once the student-athlete goes through the required counseling program and tests negative in all areas of an LSA administered drug test, he/she may resume participation in games (results may require confirmation by the LSA medical review officer). All LSA student-athletes may be tested for performance enhancing drugs at the direction of the Head of School or Upper School Principal.

HANDBOOK ACKNOWLEDGEMENT

Please click on the link below and fill out the information for receipt of the 2021-22 Student Handbook.
