Choose 8 of the 10 activities to complete. Bring your evidence for each activity or send a picture of you completing the assignment to your teacher on January 4, 2023. Please see the lower school page on the school website for a copy of the challenge for hyperlinks.

_____ 1. Using sight words from class this year, practice the sight words by finding sight words in text around you. Signs, books, food boxes (ex. cereal, cake mix) and Christmas cards are good places to look.

_____ 2. After finding sight words that you have studied, practice writing them correctly 2 times on paper. At least Five sight words should be written 2 times each.

_____ 3. Read 20 minutes at least 9 days while you are out of school for Christmas. Log the title of each book you read on another piece of paper.

_____ 4. Happy Birthday, Jesus! Write a story about Christmas day! Include at least 3-5 sentences about your day.

_____ 5. Write Numbers 1-120. Circle every 10th number.

_____ 6. Count to 120. Count by 10s. Use your numbers from #5 to help you if you need to do so.

_____ 7. Find 5 2D shapes and 3 3D shapes. Write the names of your shapes.

_____ 8. Draw a map of your neighborhood. Label your house and 3 other important landmarks. (Ex. Houses, barns, ponds, or creeks)

_____ 9. Practice your addition facts by using a deck of cards or dice. Roll 2 dice and add them. ( 3+6=9 ) OR Turn over 2 cards and add the numbers together. ( Ace(1) + 4=5 )

EXTRA FUN: run, run, Rudolph! Have your family join in the fun!
