Bring your evidence for each activity to your teacher on January 4, 2023. Choose 4 of the 6 activities. Circle the number of the activity as you complete it. Please see the lower school page on the school website for a copy of the challenge for hyperlinks.

1. **Old Testament Maze** - Draw a line to connect the names of the books of the Bible in order. Choose one book and tell why the picture included goes with that book of the Bible. You may need to read from that book to understand the picture's significance.

2. **Prophecies of the Old Testament** tell of Jesus' birth many years later. Happy Birthday, Jesus! What was shared in the Old Testament that came true at Jesus' birth?

3. Continue to read 25 minutes each night. List the books that you read. Circle at least three different genres that you read.
   
   Fiction  Nonfiction  Fairy Tales  How to Books  Articles  Fantasy  Mystery  Other
   
   We are out of school for 18 days. Did you read 450 minutes during the break? List the titles of books you read on the back or on another sheet of paper.

4. **Favorite vacation**! Write about a past trip or plan a trip. Remember to do your research! Where are you going? What events or historical places did/ do you hope to see? Who is going with you? How long will you be gone? Add your own highlights for this trip.
   
   Write a 5 sentence paragraph sharing information that you know or want to know about your destination.

5. **Listen to the song**. Some of the lyrics are a little different from the traditional song.
   
   [Link](https://childrens-ministry-deals.fetchapp.com/url/f2af861e0) (Used with permission from Children's Ministry Deals.) Do you see poetry in the music? Explain your answer.

6. **Math** - You will need a deck of cards. Remove the jokers, jacks, queens and kings. Ace=1 and other cards equal their value.
   
   Turn over 3 cards. Place the cards as Hundreds, Tens, and Ones.
   
   Make the largest number from these three cards.
   
   Using the same three cards, make the smallest number.
   
   Multiply the two 3 digit numbers together.
   
   Choose 3 more cards to end with 5 problems and work them out.

   Turn over a 10, 7, 9 = 1000+90+7= 1097    700+90+10=800  1097  
   
   Remember to show your work!
OLD Testament MAZE

Draw a line to connect the books in the order they are found in the Old Testament.
