Add 10 marshmallows to your hot chocolate!
Challenge A, B, C, and D are "Have tos". The other marshmallows are your choice to fill your mug! Bring your evidence for each activity or send a picture of you completing the assignment to your teacher on January 4, 2023.

A. Find and read a historical marker. Write three sentences about the marker. Include where you found the marker.
B. Read the Christmas story from Luke 2.
C. Write an opinion paragraph on why you like hot chocolate or why you do not.
   (5 sentence paragraph)
D. Multiply using a deck of cards. Turn over two cards. Multiply the two cards together.
   Write a number sentence. Repeat until you have 5 multiplication number sentences.
   Ace = 1, Jack = 11, Queen = 12, King = 13 all other cards equal face value.

Choose 6 other marshmallows to complete your challenge. Read 25 minutes each for reading marshmallows!

Cut and glue the marshmallows on the page to make your hot chocolate super tasty!
