Lee-Scott Academy is a college preparatory school offering a quality education in an environment where students are protected, nurtured, and challenged with biblical, Christ-centered principles that promote the development of the total person. The pursuit of excellence in academics is the hallmark of the Academy, complemented by opportunities to participate in programs that encourage student success.

## "WHAT'S BEEN HAPPENING?" - LSA EVENTS

### CHAPEL

From the oldest to the youngest in our school, all attend a form of chapel. Each month our students and staff gather for a time of chapel and worship. Members of the Upper School Student Ministry Team have been given the responsibility of leading part of each chapel service. Each week, a separate chapel is held for Pre-Kindergarten students, where they hear from guest speakers (faculty members, local pastors, missionaries and college athletes) on topics relevant to their specific time of life. These times are imperative for our students, of all ages, as we want them to feel they can grow in their faith and knowledge of Christ among all other opportunities at LSA.

### LIVING NATIVITY

LSA welcomed in the holiday season with a special night that included our Living Nativity and Christmas music compliments of the band, choir and alum Ms. Lauren Smith '21. Hot chocolate and cookies were enjoyed by all! The Living Nativity, presented by our sixth graders, was an incredible representation of the greatest gift any could receive. Thanks to Choctafaula Farm owned by LSA alums Pat '89, Ashton '08, Patrick '15, and senior Conner Starr for providing animals in our petting zoo and nativity scene.

### SANTA'S WORKSHOP

LSA's Lower School Principal, Dr. Mary Anna Martin-Smith, once again put on an incredible Santa's Workshop for our school's families. In keeping with our focus on biblical principles, we balanced time with Santa, but focused on the true meaning of Christmas in Santa's Workshop. Students who participated made bookmarks for a local charity and donated books for youth. We read the story of Jesus' birth, made religious ornaments, decorated cookies and talked with Santa. It was a fun night focusing on the reason for the season.

### NEW MIDDLE SCHOOL BUILDING

Located in between Lee-Scott's current upper school and activities buildings, the new middle school building will primarily serve seventh and eighth grades. The new 11,000 square foot space will provide seven additional classrooms, a secure shelter in place area, two additional student bathrooms, a student services center, and a learning center that will also serve as a teacher workroom and additional restroom facilities.

"The purpose of these new classrooms isn't necessarily to add to our already student enrollment of 760, but to reduce class size and accommodate for more teachers so that the upper school can remain true to the school's goal of providing small class sizes," said Upper School Principal Ms. Donna Lloyd.

**LSA ALUMNI BAND EVENT**

Prior to the varsity football game on October 14th, the Lee-Scott Academy Marching Band held their first ever Alumni Band Night. Band members from Lee Academy, Scott Preparatory School and Lee-Scott Academy throughout the years all came back to play with the current band and support the current students. Even the founding director of the Lee-Scott Academy Band, Mrs. Patti Maness, attended the event and donated copies of both of her very own published children's books to the LSA library. It was a special reunion for our LSA Band Family and we look forward to future events!
