Lee-Scott Academy

## From the Athletic Director

Our athletic teams are wrapping up a very successful fall here at Lee-Scott. With all teams making the playoffs this fall highlighted by an undefeated football regular season, a JV girls cross country championship, and a JV volleyball runner - up. Our volleyball team finished the season with a close loss in the Elite Eight to Morgan. We are extremely proud of the success of our teams, staff, and coaches for all of their hard work and dedication. Our undefeated varsity football team will compete in the 3A State Championship game vs. Glenwood on Thursday, November 17th at 7:00p.m. in Montgomery, at Cramton Bowl. Tickets for the game can be purchased on the S2 ticket app. Thank you to our Booster club and our parking/gate team for all of their hard work this football season and an outstanding job! We are continuing to use the online ticketing system with S2 Pass App for all ticketing at Lee-Scott home athletic events. Since moving to this system our gate financials have shown a substantial increase and we are excited to continue our partnership with S2 Pass. Please remember that our school issued passes will not be accepted during playoff events, both here at Lee-Scott and at Cramton Bowl. The baseball wall is almost completed with the fencing being installed by Thanksgiving. Basketball season has started with our Middle School boys team opening their season at Glenwood on November 7th. Please check our schedules page under the athletics tab on our website for all of our schedules. We are looking forward to a great end to the football season and start to our basketball season. Go Warriors!

# October Recap

The cross country team finished up their season on Oct. 12 at the state meet at Kiesel Park. The JV girls took first place! Congratulations to Olivia Kahn, AJ Spillman, Emma Carter (placing 1st, 4th and 5th respectively), Ella Shepherd and Audrey Edwards!

Mallory Wheeles and Maya McKinnon placed 3rd and 4th respectively for the Varsity girls!

And Madison Tausch placed second for the Varsity boys!

Our second half of the varsity football season has been a lot of the same. Our guys have played extremely well. We finished undefeated in the regular season for the first time in Lee-Scott history, going 10-0. The players have put in the work all season to get where they are now, so they deserve all the credit for our season.

Our second season starts now with the playoffs.

Our JV and Pee Wee teams had very successful seasons as well. We are very proud of Coach Johnson, Coach Ezell and their staffs for the time and effort they put into our young men. Our future at Lee-Scott is in good hands and I'm looking forward to working with them.

# October Recap

Our volleyball program had a very successful season this fall. We had a middle school team for the first time in program history and the girls have been given a good foundation to build on in the future. The girls played hard and steadily improved throughout the season.

Our JV volleyball team finished state runner-up after a remarkable season. The girls consistently worked hard and improved game by game through out the season and were able to pull it all together for a fun run in the state tournament.

Our Varsity volleyball team worked hard and were able to advance to the Elite Eight round of the state tournament. They had a tough match, but fought all the way until the final whistle. They continued to work hard throughout the season and slowly and steadily improved all season long.

The future is very bright for our Lee-Scott volleyball program and we are excited to continue to foster the girls love of the game.

## On the Lookout

### Upcoming Events and schedules

- State Championship Football Game Thursday November 17th
