Dear Lee-Scott Academy Families,

I want you to know that the State of the School is strong! There is a lot to celebrate and a lot of work to do. I appreciate everyone who attended the SOSA Tuesday night. If you were unable to attend, you can access the PowerPoint presentation by clicking on the following link <https://www.lee-scott.org/communications-hub/> . Once on the Communications Hub page, look for the blue box on the left hand side of the page.

I want you to know a few of our students participated in the AISA State Performing Arts Competition this week. As a team, 2 of our students placed 2nd overall with two of our students placing 2nd in Duet Acting, and 4 of our students were named to AISA All-State Cast! Congratulations!

I want you to know that it was exciting to hear the plans our PTO are making for the Mother/Son Bingo this Saturday and the Daddy/Daughter Dance next weekend. Plans for the Warrior Social are coming along nicely. That will be a really fun evening! I am so thankful for this group of parents who always find ways to support our students and faculty!

I want you to know in spite of the rain, the middle school building is progressing nicely. The scheduled completion date is still mid-July which gives us plenty of time to load furniture and prepare for the 2023-2024 school year! Get ready 6th and 7th graders! You will be the first students to occupy the middle school! A huge thank you to our capital campaign donors for making this happen for our students. Because of your generosity, we are able to build the middle school debt-free!

I want you to know that our math team competed in the AISA Math Tournament in Montgomery this week. Our team represented LSA very well. Congratulations to one of our 8th graders for earning the title of Top overall individual scorer in the State! Well done, LSA math-letes!

I want you to know that I had the pleasure of eating lunch with our SGA officers this week. It's always nice to hear from our student leaders. They provide me with information about the school from the students' point of view as well as very good recommendations to improve the school. In the past, they have recommended laptops for the upper grades, iPad keyboards for the middle grades, and revamping our chapel experience to better meet the needs of our students. I am appreciative of their input and passion for making LSA the best.

I want you to know that our band program is one of the best programs - if not THE BEST - in the state! I am thankful for our band director, Mr. Jeff Hudson, for his love for music, love for students and his ability to bring the very best out of everyone he comes in contact with. We had several students participate in the All-State Band Auditions this week. We had 5 students earn a spot on the All-State Bands (Red Level and Blue Level). Two students earned a spot on the All-District Band! So proud of them!

Have a great weekend!

Go Warriors!

Dr. Stan Cox  
Head of School

"Therefore encourage one another and build one another up, just as you are doing." 1 Thessalonians 5:11
