Lee-Scott Academy celebrated the groundbreaking of the middle school on Thursday and what an exciting celebration it was! So very thankful for the enhancements that are being made to our school. Great things are coming!

What's New?

- Upper School teachers are having a little fun on Fridays with "Flamingo Friday". Each Friday, a number is called and the winning teacher receives a small gift to start their day off right! PTO is able to support our Upper School teachers in providing these surprises.
- PTO will also be providing new Christmas trees for the exciting new clubs and replacing older trees.

Looking Ahead

- Fall Festival will be on October 27th from 3:00-5:30. This is a fun event and we will need lots of parent volunteers and Upper School student help (great opportunity to get some service hours). Ticket sales and volunteer signups will begin at the beginning of October
- ALL PRO DADS is back! November 4th will be the first meeting - details to follow
- Thanksgiving Feast for PreK and 1st grade is November 18th
- Christmas Party for PreK- 6th grade is December 16th

School Spirit

Lee-Scott continues to encourage School Spirit and the Upper School currently has a competition going on among the grade levels! The winning grade will receive a wonderful surprise, so be sure to encourage students to be wearing Red and Blue!

From the Treasurer:

We continue to encourage Room Moms to submit receipts for August Birthday Celebrations. If you have any questions regarding a PO request or how to submit a receipt, please email us at lsa-pto@lee-scott.org
