Recap of PTO Events

The PTO, with the generous help of parents, have been able to provide lunch for the LSA staff. In March, Marco's Pizza catered the lunch, and it was a hit with lots of pizza, salads, and desserts. This month Amsterdam catered and of course the staff had nothing but great things to say. Thank you for helping us provide these lunches throughout the year!

LSA Warrior Social

It is not too late to sign up for the Warrior Social! This year we have some excellent items for the silent auction, and we will have an entertaining evening with Tim Tyler. Some wonderful auction items that we would like to highlight are the Sehoj Plantation Quail Hunt where you will enjoy a half-day traditional quail hunt on horseback and mule drawn wagon. Donated by Sehoj Plantation/Cam and Amelia Lanier. We also have a beautiful diamond cross necklace in 14K gold with 0.21 carat total weight of brilliant diamonds donated by Dianne's Jewelry. And finally for the tailgate fans, the Tailgate and More Package donated by Pre-K. This includes everything you need for the Mississippi State game on October 28th. Receive a tent package with Moe's Catering for 20 people along with Auburn fan items.

Welcome Jonathan Arrington!!!
LSA is blessed to have our own School Chaplain who will assist to enhance spiritual growth and focus on a Biblical worldview in all aspects of school life.
