Dear Lee-Scott Academy Family,

I want you to know that our Varsity Softball team had an outstanding season! Our Lady Warriors played in the AISA 3A State Championship game last weekend. While the game didn't end the way we wanted, our girls played their hearts out and represented LSA well. Coach Deese and Coach Baker prepared the team to persevere and fight to the very end. Congratulations Lady Warriors - AISA 3A State Championship Runner-Up! Job well done!

I want you to know that it was a wonderful morning as we celebrated our lower school mothers with breakfast. Each mother received special gifts created by her child. It was great to see all the moms who make us better each day. Happy Mother's Day!

I want you to know that the Super Bowl is not just in February! After a football unit in PE where the students learned the rules and skills of flag football, our PE department hosted a super bowl game where our top 5th grade team took on the top 6th grade team. The 6th grade team was victorious with a 29-6 win over the 5th grade. Congratulations!

I want you to know that our Spanish II students completed their end-of-the-year project this week by creating pinatas! If you were to come by Sra. Curry's classroom you would see the creations that include Buc-ee the Beaver, Popcorn Boxes and even Jud Scott Field! The pinatas turned out really well!

I want you to know that our media center hosted a publishing party to celebrate the completed projects of Sra. Zellner's Spanish IV students and their third grade reading buddies. The third grade buddies wrote a story and their Spanish IV partner translated to Spanish. The third grade students illustrated the books which were bound and cataloged into the LSA media center collection. Way to go, students!

I want you to know that we celebrated our school nurse this week during National School Nurse Day. Nurse Cathy Keirstead has a gentle spirit who loves each child in our school. We are thankful for her medical expertise, excellent care and wonderful personality. Thank you, Nurse Cathy, for all you do to take care of our students! We love and appreciate you!

I want you to know our PTO officers for the 2023 - 2024 school year. Congratulations!

- President - Kelly LaMar
- Vice President - Miranda Nobles
- Treasure - Liz Henderson
- Secretary - Kelly Pearce
- Past President - Ashley Brooks

I want you to know that seniors are completing their time at LSA. I have enjoyed seeing The seniors as they come to the office to turn in their final paperwork before graduation. I cannot wait to see how they impact our city and community in the coming years. I am so proud of them. We wish them the best as they begin new adventures as high school graduates!

Have a great weekend!

Happy Mother's Day!

Go Warriors!

Dr. Stan Cox
Head of School
