

1/ 2 Grade 2023 Christmas Challenge Teacher _____

CHOOSE 2 of the 4 Activities

Name _____

#1 Read Luke 2:1-20

Read Matthew 1:18- 2:12

Cut out the puppets and use them to retell the Christmas story. (A popsicle stick glued/taped to the back is another option rather than cutting the finger holes.)

Place the puppets in sequence of who enters the story first, second, third, fourth, fifth, and sixth. Return a picture of the puppets numbered. Puppets are on the last page.

#2 Roll to 120

Need : 2 Dice, Red and Green Marker or color, copy of the 100s chart

Two players. One chooses the red marker and the other green. Players start at 1. Roll the dice and add the two dice for a sum. Trace the sum with the marker . Player 2 takes a turn.

Continue rolling dice, adding the two dice to the previous sum and tracing the number where you land with the markers. The first person to **120** or more wins! Show your work for the addition problems. Feel free to print a full size chart that is included in a SchoolMessenger notice.

3 Gingerbread house

Oh, the smell of Gingerbread! Decorated gingerbread cookies, gingersnaps and gingerbread houses with candies and icing are often a seasonal smell in the kitchen.

Many books have been written about the gingerbread cookies! Choose one or two to read as a family. Here are a few examples.

Challenge: Make a gingerbread house of gingerbread, graham crackers, poptarts, etc. with your family. On a notecard include the following:

Book title read: _____

Measure house: length _____ Perimeter of house _____
 width _____
 height. _____

How much icing did you use? (in cups) _____

How many windows? _____

How many doors? _____

Use small cookies or candies as shingle by making an array? Write your multiplication math fact. _____

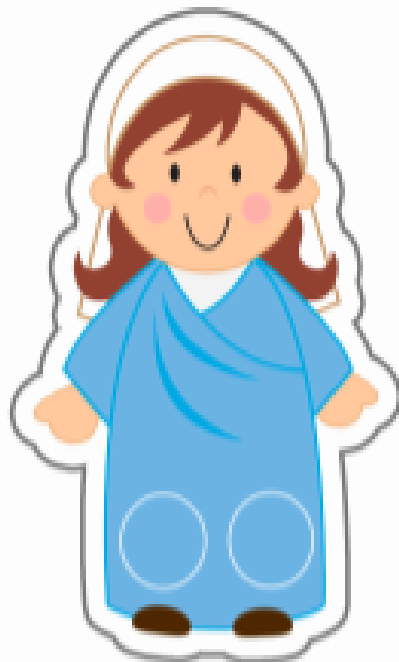

Have fun with your family! **Take a picture** of your gingerbread house and the note card. Return to school on Jan. 3, 2024.

#4 Run, Run, as fast as you can....

Can you run as fast as the Gingerbread Man? Run/walk a mile 3 times during the Christmas holidays and see if you beat your own time!

Run 1 _____minutes/mile Run 2 _____minutes/mile Run 3 _____minutes/mile

Return Challenge on Jan. 3, 2024!

Nativity

Finger Puppets
