## OFFICE OF ALUMNI RELATIONS

Welcome to our  
*Alumni Winter Newsletter*  
we're so glad you're here

### *Office of Alumni Relations - Mission Statement*

The mission of the Office of Alumni Relations is to maintain connections within the Lee-Scott Family by engaging the alumni of Scott Preparatory, Lee Academy and Lee-Scott Academy. Through this meaningful engagement, Lee-Scott desires to continue the legacy of alumni at Lee-Scott Academy, to connect current students with alumni by providing opportunities for internships, shadowing and mentoring through the Upper School Alumni Career Panel, to have alumni serve as ambassadors of Lee-Scott Academy within the Auburn/Opelika and surrounding communities and to increase philanthropic commitment to the Academy.

### *Alumni Relations...*

**Meet Mrs. Sara Adams** - Lee-Scott Academy welcomed Sara as the school's new Development Coordinator back in November of 2022, since she has also stepped in the Alumni Relations area to help all alumni stay connected.

Sara is a 2018 graduate of Lee-Scott (Pre-K through 12th grade) and went on to attend Auburn University, where she graduated with a degree in Philanthropy and Non-Profit Studies accompanied with a minor in business in May of 2022. She is working hard to get our Alumni Social Media on track, while gathering information, old photos, and spotlighting former students once a week.

The LSA Family would love to stay in the loop with everything happening with you and your family. If you have any updates on marriages, births, or other important news, please feel free to share with us at [alumnirelations@lee-scott.org](mailto:alumnirelations@lee-scott.org). Fill out the link or scan the QR code to be spotlighted on Facebook/Instagram: Spotlights wanted!

### *Alumni Tailgate Event...*

We enjoyed a fun night of tailgating, connecting with classmates, and cheering on our Warriors! Thank you for all of you that attended.
