Dear Lee-Scott Academy Families,

I want you to know that "**The Final Countdown**" is a song by Swedish rock band Europe, released in 1986. Written by lead singer Joey Tempest, it was based on a keyboard riff he made in the early 1980s, with lyrics inspired by David Bowie's "Space Oddity". Originally made to just be a concert opener, it is the first single and title track from the band's third studio album. I think it is perfect to announce where we are in this school year. We have less than four weeks of school left to accomplish the goals on our wish lists! It also means lots of activities in a short amount of time. Here's a few for next week.

- Academics
  - April 30 - 4th Grade field trip to the State Capitol to see first hand what they have been discussing in the social studies class
  - May 2 - Kindergarten field trip to the Montgomery Zoo to see the animals they wrote about in their published book
  - May 2 - Senior College Decision Day to announce their plans for their futures
  - May 2 - 2nd Grade field trip to Kreher Preserve to visit a nature preserve and learn about animals and their habitats
