In 1981, two independent schools, Lee Academy of Auburn and Scott Preparatory School of Opelika, merged to become Lee-Scott Academy. The strong traditions of academic excellence and emphasis on Christian values of both schools continue as the hallmarks of LSA. Originally located on the campus of Lee Academy, steady growth in enrollment led to the 1996 construction of our present campus in Auburn. Enrollment for the 2025-2026 school year is approximately 829.
