

DUAL ENROLLMENT FAQs

What is Dual Enrollment?

Dual Enrollment is a program that allows high school students to enroll in college coursework and earn college credits. These courses are completed on the college calendar by semester. Most classes are taken online but some may be taken on the college campus, if scheduling permits.

Who can take Dual Enrollment courses?

Dual Enrollment is available to students in grades 10-12.

What are the requirements for Dual Enrollment?

Requirements vary depending on the college.

What is the cost?

The cost varies depending on the college. The student pays the tuition/fee directly to the college.

Which colleges offer Dual Enrollment?

Most colleges (4 year and 2 year) offer Dual Enrollment opportunities. LSA students have worked with some of the following colleges: Auburn University's Auburn First, University of Alabama Early College, Troy University Early College, Southern Union State Community College, and Wallace Community College Selma

What college class(es) are available as Dual Enrollment?

Most colleges provide a list of dual enrollment courses. LSA students take anything from Western Civilization to English Comp I to Psychology. The choice is yours! Just be sure to check with your counselor.

What Dual Enrollment courses can I receive high school credit for?

Southern Union math classes offered on LSA's campus (DE PreCalculus, DE Elementary Statistics, DE Calculus I, DE Calculus II) will fulfill a Lee-Scott graduation requirement.

In addition, Macro or Microeconomics taken through Auburn First will fulfill the Economics graduation requirement.

Students will receive high school credit for these courses and they will be included on the high school transcript.

How do I get started?

Review the requirements on the website of the college you're interested in attending. Speak with your high school counselor. (Application, Dual Enrollment form, ACT scores, and Transcript will be necessary to complete the process.)

Things to consider....

** Which semester(s) are you busy with extra-curricular activities? Dual Enrollment can be taken in the fall, spring, and/or summer.

**Did you do well on the ACT/SAT and/or AP exams? You may be exempt from college freshman English or History depending on test scores. Be sure to check with your college of choice and high school counselor before enrolling in one of these classes.

**What major are you interested in? Dual Enrollment can be a great way to start earning credits towards your major. Again, check with the college and your high school counselor.

**These are college classes! You must be responsible with your time management. Get in the habit of checking your email daily.

Most colleges offer a Dual Enrollment program. Below you will find links to some. We do encourage students to review additional colleges beyond this suggested list.
