

Dear Lee-Scott Academy Families,

As we reflect on our first semester of implementing school uniforms, we want to thank you for your partnership, patience, and support throughout this important transition. Introducing uniforms was a significant step for our school community, and we have learned a great deal along the way.

To keep families fully informed, here are the key updates for the **2026–2027 school year**:

What's Changing

- We are transitioning our uniform provider from **Zoghby's to Lands' End** beginning **late Spring 2026**.
- Lands' End will offer families expanded inventory, more consistent availability, and a smoother long-term ordering experience.

What's Staying the Same (Grandfathering Assurance)

- All previously purchased **Zoghby's** uniform items will be **fully grandfathered** and approved for use during the **2026–2027** school year and the **2027–2028** school year.
- Families are **not required** to replace Zoghby's items that are in good condition during **2026-2027** or **2027-2028** school years.
- For uniform needs until the 2026 spring transition, Zoghby's will continue as our uniform supplier.
- As a senior privilege, Class of 2027 seniors may continue to wear pants that meet the uniform-approved color, fabric, and style guidelines and match the uniform pants as closely as possible.

What's Coming Next

- We will share updated ordering information, fitting events, and revised uniform details soon so families can plan ahead with confidence.
- We are finalizing details with Lands' End, with the goal of opening the **Lands' End/Lee-Scott Academy online store in late Spring 2026**. The items offered at this store will be Uniform approved for wear during the instructional day for the remainder of this school year and for the coming school year.
- After the store opens, **all items on the Lands' End/Lee-Scott Academy online store will be uniform-approved**. When the Lands End/Lee-Scott store opens, the Zoghby's/LSA partnership will end and all new Lee-Scott uniform approved items will be available only from the Lands' End/Lee-Scott online store or the Warrior Store.

Thank you again for your continued support of Lee-Scott Academy and for partnering with us as we work to strengthen every part of the Warrior experience.

Respectfully,
