

LEE-SCOTT ACADEMY UNIFORM GUIDELINES

At Lee-Scott Academy, our daily uniform supports a focused, respectful learning environment and a consistent, professional appearance for all students. By keeping the emphasis on character, conduct, and learning, rather than clothing, we help ensure that every student can focus on what matters most.

Students are expected to remain in uniform from arrival through dismissal and to present a neat, clean, and well-groomed appearance each day. Faculty will address uniform concerns directly with students and will involve administration when repeated or unresolved issues arise. Attire not specifically addressed in this policy will be reviewed and determined by school administration to ensure alignment with the overall intent of the uniform guidelines.

When a student is out of compliance with dress standards, they will be given an opportunity to correct the concern. Continued violations may result in restriction of attendance in classes or school activities and will lead to conduct checks with the goal of reinforcing expectations while supporting the student's growth and success. Compliance with uniform policy is required for every LSA student.

General Uniform & Appearance Guidelines

- All uniforms must be purchased from Lands' End and worn as intended. No oversized or undersized items. Some Lands' End uniform pieces will be available at the Warrior Store for the convenience of our families.
- Jumpers, skirts and shorts must meet fingertip length and may not be rolled.
- **All items must be labeled with the student's name in permanent marker on the tag or on a label inside the garment.**
- **Do NOT donate uniform items that are no longer being worn to a thrift store. Please give those items to the LSA Warrior Exchange.**
- Uniforms are required daily unless directed by LSA administration.
- Uniforms must be clean and in good repair.
- Shirts must be tucked in at all times; belts must be visible.
- Hats, caps, and the hood on a hoodie are not permitted to be worn during the school day.
- Tennis shoes are required for lower school students.

Logo & Embroidery Requirements

- All required uniform items must be purchased through Lands' End with the approved LSA logo.
- Any additional logo application or embroidery must be completed through the LSA Warrior Store, the school's authorized provider.
- To ensure consistency, outside embroidery or third-party logo applications are not permitted.

Jewelry and Accessories

- Jewelry and accessories are acceptable as long as they are conservative and in keeping with the style and color of the uniform and are not disruptive to the learning environment. Female students may wear earrings in the lobes of their ears as long as the style is not distracting.
- Girls may wear coordinating hair accessories.
- No body piercing, nose studs, nose rings, or tattoos may be visible during school day.

What's Staying the Same (Grandfathering Assurance)

- All previously purchased **Zoghby's** uniform items will be **fully grandfathered** and approved for use during the **2026–2027** school year.
- Families are **not required** to replace Zoghby's items that are in good condition during the 2026–2027 school year.
- As a senior privilege, Class of 2027 seniors may continue to wear pants that meet the uniform-approved color, fabric, and style guidelines and match the uniform pants as closely as possible.
