

PROFILE 2026

Mission Statement

Lee-Scott Academy is a college preparatory school offering a quality education in an environment where students are protected, nurtured, and challenged with biblical, Christ-centered principles that promote the development of the total person. The pursuit of excellence in academics is the hallmark of the Academy, complemented by opportunities to participate in programs that encourage student success.

In 1981, two independent schools, Lee Academy of Auburn and Scott Preparatory School of Opelika, merged to become Lee-Scott Academy. The strong traditions of academic excellence and emphasis on Christian values of both schools continue as the hallmarks of LSA. Originally located on the campus of Lee Academy, steady growth in enrollment led to the 1996 construction of our present campus in Auburn. Enrollment for the 2026-2027 school year is approximately 834.

Lee-Scott Academy
